Seniors, it is time to bid farewell to your high school years. We know that as the time draws to an end you have mixed feelings. You are happy to be leaving the hallowed halls of Passaic Valley, but you know that there will be much that you will miss.

Freshman year found you in different surroundings with plenty of new people and activities. We know that you probably felt strange, but it didn't take you long to adjust. The girls were certainly happy freshman year. Girls' Show was brought back and was a great success. But sophomore year was when the boys had all the excitement. The Varsity football team became State Champs. Everyone seemed to have school spirit during that season. Junior year brought

the half way mark in your high school career. The Junior Cotillion was a success and everyone looked fantastic. And now, finally, senior year is here. We are sure your prom will be even better than the Cotillion. Finally, your graduation day is on the horizon. This is what you have been working towards for so long.

We want you to know that we have enjoyed getting to know all of you. We wish you the best of everything that life can bring you. Good luck in all you do. We will miss you . . .

Sincerely,  
Jenai Agosta  
Denise Zeringo

# Dedication

MR. BENJAMIN DeSOPO

Although we, the class of 1989, have only known him since 1985, Benjamin DeSopo, a Totowa resident, has been teaching Italian and various forms of European culture to students since he came to P.V. in 1963. Mr. DeSopo, himself a product of European education, developed his values and philosophy from reading and often memorizing the great works of world literature. His students and friends knew, that with the slightest encouragement, Mr. DeSopo would regale anyone who would listen to the magnificent poetry of Homer, Virgil and Dante. As a classical scholar, fluent in French, Spanish, Latin, Greek, and of course, Italian and English, Mr. DeSopo has always been, and will continue to be, an inspiration and an academic role model to everyone lucky enough to know him.

On behalf of all students and teachers who have benefited from his expertise and devotion to teaching, the Senior Class of 1989 is privileged and proud to dedicate this yearbook to Mr. Benjamin DeSopo.

# SOCIOLOGY CHRISTMAS PARTY

Traditionally, Sociology students at Passaic Valley H.S. have sponsored a Holiday Party for the children at Mt. Saint Joseph's Home in Totowa. The event requires Sociology students to actively involve themselves and the Passaic Valley Community in reaching out to those children who are less fortunate. Students under the supervision of Mrs. DeRosa plan, organize, and execute all the activities, fund raisers, and procedures necessary to insure that forty children have an unforgettable holiday.

# COSTUME & MAKE-UP DEPARTMENT

Yabba Dabba Do!

Time for a hair cut-again??

Think this turkey can fly??

It is a tradition at Passaic Valley for students and faculty to come to school dressed up on Halloween. The day is always filled with activities. Cameras flash as students pose in costume. Laughter echoes down the hallways at the sight of people tripping over their costumes, and teachers scream in horror as students in disguise seek their revenge. Halloween at P.V. has grown to be a fun day of school, filled with excitement and many surprises.

Oh no, it's the three Amigos!

I heard it through the grapevine!

# SNOW WHITE

This year's Christmas Play, Snow White and the Seven Dwarfs, continued the tradition of spreading the Christmas Spirit. The cast included Kerri Schmon as Snow White, Adam Forbes as Prince Charming, Darlene Gilabert as the Mirror and Amy Erikson as the Witch. The Seven Dwarfs were played by Heather Flood as Sleepy, Kristen Perrotta as Dopey, Herb Feakes as Happy, Jackie Sanchez as Grumpy, Lori Hilton as Doc, Carrie Steinhoff as Sneezzy, and Bohai Lee as Bashful. The play was especially appreciated by the children from the three towns who attended.

The 1988 football team completed their season with an overall 2 and 7 record and a 2 and 5 division record in the very competitive Skyline Division of the Northern Hills Conference.

Although the win loss record does not appear to be very successful, the members of the team are to be commended for their continued hard work and dedication to the team. They prepared themselves each week for their opponent and gave forth their best effort every Saturday.

Some of the individual leaders for 1988 were Rob Colt, leading receiver and leading scorer, Jim Elliott, Rich Abdinoor and Al Pisa, who anchored the offensive line. Defensively, Sal Castelli led the team in total tackles. Steve Manzoni for the second year in a row led the team in quarterback sacks. Bill Hyde was once again a leader in the defensive line. Dan Lightner, Joe Henderson and Fabian Damante played key roles in the defensive secondary.

Joe Vice handled the punting duties and Fred Hughes was our kick-off specialist. Paul Homcy led the way as the special teams captain.

Overall the team stayed together through some adverse times and they are to be complimented for that.

# **RATTLE AND HUM**

The 1988 edition of the Passaic Valley Regional High School Marching Band had a new look this fall with first year band director, Mr. Brian Conti. This season the program opened with the eerie and powerful "Superstar 88". This year the percussion section was staged on the front sideline to give a unique look to the band featuring them with "Egyptian Danza". The concert selection was the driving Latin sound of "Sunrise lady" and closing out the program with the lush and sensitive ballad, "In His Love."

Welcome to the Chapel of Love.

Snack time on Remote Control

Who know their spouses better? (Hippies or Athletes)

The 1988 Marching Band season started on August 26, 1988 at Band Camp in Port Murray, NJ. Camp is a six day event. Each day consists of 10½ hours of practicing and 2 hours of free time, which includes water balloon fights, grilled cheese eating contests and swimming. A traditional entertainment activity is planned for each night. These activities include Marriages, The Newlywed Game, Remote Control and a Senior Party. At 5:30 on the last morning of camp, it is a tradition for the drum line and the seniors to wake up the rest of the Band. Band Camp is a necessary and enjoyable event.

The band had practice two nights a week for 2½ hours each night. There was also two hours of practice Saturday mornings before the football games. Practice consisted of basics, sectionals and run throughs of the show.

The Band prepares for public appearances. The Band provides a Pre-Game or Half-Time Show for all the football games. In addition to these performances the Band also competes in E.M.B.A. and J.I.G. contests with Bands from New York, New Jersey and Connecticut.

It is not the awards the provide the greatest satisfaction, it is the pride in being a part of a successful unit. Being a part of the Band goes beyond the boundaries of music; it is a matter of pride, dedication, and friendship.

It started out when we, the 1988 Varsity Rah-Rahs, went to camp for a while, showing everybody our PV style. Water fights galore turned our work into play, but we have memories at camp that will forever stay. As the season began we grew together as a team, cheering for the Hornets — Go White! Go Green! Before we all knew it, Homecoming was here. It would be the last time for the Seniors cheering here. Passing on our spirit for all who came to see . . .

Spiking, driving and aicing their way through a difficult season of rebuilding, this year's Volleyball team exhibited an exemplary showing of diligence, determination and sacrifice.

With first year coach, Jim Hansen, and three returning Varsity players, only one of whom had more than one year of experience, the Hornets dug in and served their way to a season of 8 and 15. One of their wins was a bruising victory over Wayne Hills High School which propelled the Hornets into the quarter finals of the Passaic County Coaches Tournament.

The Hornets were led by captain Becky Dutko, who received 2nd Team Passaic County Coaches Association Honors. The Hornets were also enriched with a dazzling array of talent, including such athletes as Kim Ridgeway, Dawn Martin, Jane Smith, Allison Shaw & Renee Apuna. Other letter winners and major contributors included Sharon Wiley, Cherie Dipsey, Robyn Forbes, Michelle Daniels and Fidget.

Passaic Valley with a very young team started out slowly, but improved with every meet and finished strong. Led by seniors Joe Gellene and James Chattra, the Hornets won some important meets toward the end of the season. Junior Rich Lee had an outstanding year and will be the 1989 Captain. Sophomores Jim Mac Rae, Kris Fox, Greg Garrabrant along with freshmen Ron D'Amato, Bill Gibbons, C.J. DeYoung, Dino Bellini, Rick Miedema, and Alex Botero make the future look very bright.

The most encouraging part of the season was the "Frosh Team" winning the Passaic County Championship. The young Hornets will be a promising part of next year's Varsity team.

This year the PV field hockey team was challenged by having 14 first year varsity players. Due to this inexperience, they had a lot of work to do to prepare themselves for the season. They got off to a slow start, losing 8 out of 11 games, and were outscored by their opponents 26 goals to 5 goals. The team never quit even though they took some big losses.

The second half of their season gave testimony to perseverance, hard work, and the desire to succeed. With only 3 victories in the first half of the season, they went on to lose only three games during the second half. They also outscored their opponents 17 goals to 11 goals.

The team showed tremendous improvement over the course of the season. Coach Marquis viewed the season as a successful one because of the team's ability to play hard to the end, carrying on PV's tradition of competitive, spirited play.

The Passaic Valley Gymnastics team is one to watch out for in the next seasons. They are a young team with plenty of potential. The girls worked diligently, and it was apparent in their dramatic improvement during the season. The season, though not a winning one, does not really give a true picture of all that the girls have achieved.

The 88-89 Wrestling Team had a very successful season. The Hornets, led by senior captains Bill Hyde, Frank Laccitiello and Lance Ford were Northern Hills Conference Champs, going undefeated in the league. The total team record was 13-4 with the only losses coming four of the Top Ten teams in New Jersey. Seniors Fabian DaMante, Joe Francese and Joe Aquino contributed to the Hornets success.

The team was crowned Passaic County Champions, producing 3 individual champs: Dean Giese, Mario Mancini and Lou Fontana. Placing second were Bill Hyde and Marco Lucci. The team became a State Tournament Finalists by beating Eastside in the semi-finals 38-17. However, the wrestlers lost a hard fought battle against Fairlawn in the North Jersey Section I Group IV finals. The Hornets were ranked 20th in the State Top Twenty Poll. It was the 1st time since 1981 that the Hornets have been ranked.

Four wrestlers advanced to the Region II finals and hope to wrestle in the State finals at Jadwin Gym in Princeton. Those wrestlers are Bill Hyde, Mario Mancini, Tom Bolen and Lou Fontana.

This was Coach Minnella's first year as head coach and his two assistants, Gene Emering and Jack Pohlman were also new additions to the staff.

Coach Minella achieved the rare distinction of being named Northern Hills Conference and Passaic County Coach of the Year in his very first year as a head coach.

**Back Row:** Coach Bill Humes, Jim Quagliana, Neil Fardin, Bob McManamey, Paul Mace, Paul Homcy, Fred Hughes, Alex Hoegen, Mike McBride, Matt Mulroony, John Seugling, Mike D'Amico, Jim Eisele, and Coach John Ziemba. **Front Row:** Mark Capalbo and Jeff Eisele

This may be the season people look back to as the turning point for the boys' basketball program. Under the direction of first-year coach John Ziemba, a talented blend of seniors and younger players picked the program up off the floor and set the groundwork for a successful future.

Leading this charge was senior Jeff Eisele, a versatile player who led the team in scoring. At the guards were senior Mark Capalbo, a tough defensive player, and sophomore Neil Fardin, who showed an uncanny amount of composure for only being a second-year player. The big men were junior Matt Mulroony, a great all-around athlete, and senior Fred Hughes, a tough inside player. Senior Bob McManamey provided instant offense off the bench while seniors Paul Homcy and Paul Mace did whatever was needed to win games.

Hope for future was provided by the play of 6-foot-7 junior Alex "Dutch" Hoegen and sophomores Mike McBride, Jim Eisele, Jim Quagliana, John Seugling, Mike D'Amico and Mike Rubino.

With so much returning talent, the Hornets may be ready to take the next step up to the top of the Northern Hills Conference.

Air Eisele takes off.

Capalbo up for an easy two.

Other varsity members included: Seniors Jen Bloetjes, Tom Manicone, and Paul Toscano.

The junior varsity teams included: Seniors: Sharon Petersen, Pat Kim, Dotti Donadio, Elise Anatro, and Karin Wittig, Sophomores: Steve Vigorito and Dennis Bosland, and Junior Jim Labar.

Indoor Track had its share of success for its relatively small size. Though more of a tune-up for the outdoor season, indoor track individuals did capture several medals and honors, including some top 5 standings in the conference and county, especially for the high jump and shotput. They boys were lead by track veterans seniors James Chattra and Joe Gellene and junior Glenn Dutko. Rounding out the crew were juniors John Capuono and Tom May and sophomore Kris Fox. The girls saw 3 medal winner Becky Dutko in her final year lead a young team with sophomore Michele Moran and freshmen Passa Chattra and the twins Stefanie and Suzanne Halvosen. The entire team is a closely knit unit with practices of sprinting up and down hallways, hurdling down corridors and high-jumping, and running many miles through Little Falls and Totowa. The season saw the team go to Pearl River, N.Y., Princeton and a freezing outdoor Polar Bear Meet in mid-winter. And as the season closed, some of the boys set their sights in training for the NJ Waterfront Marathon.

**Back Row:** Coach Pescatore, J. Vice, P. Homcy, J. Eisele, D. Rescigno, D. Lightner, J. Cullen, J. Rossi, R. Bodnarchuck  
**Front Row:** S. Tirone, M. Loverdi, J. Eisele, E. Fronzuto, B. Prall, M. Amoia, A. Pineta, D. Geise, A. Marzella

The Hornets are in the second year of a new program under Head Coach Jim Pescatore. The coach is trying to build a program and create a winning attitude. Although the Hornets lost a great deal of offense due to graduation, the coach is optimistic about this year's team because of the players' solid work ethic and dedication.

The team's strengths will be their pitching and defense. The diamondmen will be led by senior captains Paul Homcy and Jeff Eisele. Defensively, first base will be anchored by senior Rich Bodnarchuck with senior Daryl Rescigno backing up the spot. Second base is wide open with junior Ernie Fronzuto penciled in and sophomore Jim Eisele challenging the junior for the position. At shortstop, Jeff Cullen, a returning letterman, has inside track on junior Craig Torres, also a letterman from last year's squad. Paul Homcy will be the leader and play third base. The outfield is open at two spots. Dan Lightner, a letter winner a year ago, has an outfield job. At the other outfield spots four players are in a heated competition. They are seniors Bobby Prall, Amedeo Pineta and sophomores Sam Tirone and Mike Loverdi. Senior Mike Amoia will handle the catching duties. Backing up Amoia will be Angelo Marzella and John Rossi. Our pitching will be led by senior Jeff Eisele, our number one starter; senior Bobby Prall and junior Dean Geise are battling for the second spot. Junior Roy Vanderbree and sophomore Sam Tirone could be our long and short relief men.

In his second year also, Coach Andy Milewski will run the JV team. First year freshman Coach Frank Pacelli will lead the freshman and help build the PV baseball program.

The golf team, under coach Ariola, has high aspirations for the season. Coach Ariola hopes to improve on last year's 16-9 record with returning lettermen Matt Raia, Todd Pelle, Pat Kim, and Marc Scudillo.

Ken Tyrel, Ken Ferguson, Chris Oswald, Jeff Ingalls, and Stephanie Hallberg should fill in other needed areas. There is a tough Northern Hills Conference to look forward to in which competition is very keen, and Coach Ariola has high hopes that the team will meet the test.

The 1989 edition of the Boys' Varsity Tennis Team returns the entire line-up from last year. Under rookie coach, Kevin McGlynn, a former Passaic County 1st Singles Champion for P.V. in 1987, the Hornets could be the surprise team in the county. Led by seniors Paul Mace, Steve Convertino, Andy D'Amato and Frank Laccitiello, the Hornet netmen hope to improve on last year's team record. The team has experienced underclassmen in Jim Quagliana, Joe Fava, Bobby Marks, Patrick Antonio and Alex Hoegen. Newcomers Charlie Rudy, Vu Phan, and John Nargiso help make the future look very good for the tennis team.

If you mess up, this happens.

Senior Captain James Chattra

The 1989 Hornet Track Team will be made up of several senior and junior veteran players.

James Chattra and Jim Elliott will act as Captains for this year's squad.

James will be entering his fourth year of competition and will again score points in the hurdle events as well as the high jump. Jim Elliott will be our leader in the field events competing in both the shot-put and discus.

Other returning lettermen include Steve Manzoni, shot and discus; Erik Hutcheson, javelin and long jump; Chris DeSenzo in the middle distances. Another addition to the squad this year will be transfer student, Joe Gellene, who will provide more strength to our distance team.

Overall we look for another productive season in the very competitive Northern Hills Conference.

The 1989 Girls' Track Team showed improvement and promise in a season of rebuilding. After losing a large number of the team this year, the 1989 Hornet team was filled with underclassmen. Senior captains Becky Dutko and Jen Sidney hope that their team can make an impact in league and county meets — if not as a team, by individual accomplishments. Other contributors include the Halvosen twins, Suzanne and Stephanie, Passa Chattra, Jen Trinca, Cheryl Antonio, Renee Apuna, Gail Neville and Michelle Moran.

The art show has become an annual event at Passaic Valley; it is an event that the whole school looks forward to each spring. The art staff and students work hard, putting in many hours of work to prepare for the spring extravaganza. This is a time for students to let their artistic abilities shine. In addition to fine arts, the art show also exhibits various projects from the industrial arts and photography departments. Among the paintings and sculpture pieces we find ceramics, drawings, and other crafts skills. It is a blending of pride, dedication, and cooperation that combine to make the art show such an annual success.

Girls' Show Roadies

One of the most popular activities at P.V. is the annual Girls' Show. This year's show was held on March 3, 1988 in the Gris Gym and featured a variety of competitive events dealing with the theme, "Nothing's Impossible." Although only one winner emerges every year, all participants should be commended for their tremendous creativity, dedication, and enthusiasm. It is Passaic Valley at its best.

# Memories . . . 1985-1989

It was September of 1985. We were about to enter a new atmosphere. What were we to expect?

We entered Passaic Valley unaware of what the future held. It was a time to meet new friends and hold on to the old ones. The school became a maze. There were many fears and anxieties to overcome. We were overwhelmed with school policies and rules and an overabundance of papers to sign. An old tradition returned to PV: Girl's Show. Our space program was about to take a new step; the first teacher was about to become part of the Challenger crew. But our hopes and dreams shattered when The Challenger exploded killing all of the members on board. At the same time *St. Elmo's Fire* was lighting up the sky at Totowa Cinema. A disease called AIDS surfaced. Little did we know about its terminating consequences.

As sophomores, we had become true veterans of Passaic Valley. The good times were about to begin. We ordered our class rings and the annual candy sales were about to begin. Guess, Reebok, and Swatches decorated the halls. Friendships blossomed; hanging out at the movies was the Friday night ritual. We watched Tom Cruise soar to new heights in the box office hit *Top Gun*. Our football team became State Champs beating North Bergen. Another year over, we finally became upper classmen.

Junior year contained many memorable events. We finally received our class rings. As the Cotillion approached, excitement filled the air. Our Junior Cotillion was held at the Sheraton in Fairfield on December 3, 1987. It was a night we would hold on to for more than "Just A Moment". An enormous amount of pressure was put on us to take the S.A.T.'s and to look into colleges. Another Girls' Show tradition took place; the President returned. Our football team had finally beaten Wayne Valley in the traditional Thanksgiving Day game. Ripped jeans, tie-dye, and scarves were the new fashion trend. At Cinema 46, many witnessed Patrick Swayze *Dirty Dancing* his way into every girl's heart. Elsewhere, the Iran Contra Hearings were going on and Ollie North became a hero to just a few. The Jim and Tammy Bakker PTL scandal haunted us for months. The nation watched and held its breath as baby Jessica McLure was finally rescued from a well in a tiny town in Texas. The Winter Olympics were held in Calgary.

Senior year, our last year together. College applications had to be sent in and our final S.A.T.'s taken. We were amazed at the participation of many countries in the Summer Olympics in Seoul, Korea. A farewell was said to President Ronald Reagan as George Bush became the new President of the United States. To our horror, Pan Am flight 103 exploded; over one hundred passengers were killed. At Loews Theatre, we experienced Dustin Hoffman's portrayal of an autistic savant in *Rain Man*.

The Senior Prom was held at the Woodcliff Lake Hilton on May 19, 1989. While we celebrated through the night, we realized that this would be one of our last nights together. On graduation night, Operation Graduation gave us the chance to extend our goodbyes.

We have shared so much together. We have seen each other grow and give support through the good and bad times. The memories can never be erased. This book is a reminder of all we have shared and accomplished. As each page turns, I hope it brings you laughter, joy, and tears. We are truly a unique group of people. The class of 1989 . . . WE ARE THE BEST!!!!!!

## Graduation

These four years have gone  
so fast for you and me,  
Is that the way  
it's supposed to be?  
We're moving on to something  
new in our lives  
Is it true — can it be?  
These are our last goodbyes.  
The friends we have gained,  
the experiences we shared,  
We're beginning to realize  
how much we all cared.  
Although there were times,  
when we all needed a hand,  
Has it come to the point  
where we're ready to stand?  
Maturity has reached us;  
there is no turning back.  
We're moving on —  
we're right on track.  
Ready to face the world out there,  
growing out of our childhood years.  
The joy, the laughter,  
the sorrow, the tears.  
will somehow always be,  
the many treasured memories  
from our years at PV!

Movies have a greater influence on our lives than most students realize. Movies teach us how to dress, how to behave in social situations, what to think about controversial subjects, what to value, even who to love.

One doesn't have to be a movie-goer to be affected by movies. The world around us is already so movie-mad that most of us can't avoid being inspired by the silver screen. P.V. students, in particular, are vulnerable to the attraction and the magic of movies. Just look at the theaters around us: Loew's Six, Cinema 46 and, of course, Totowa Cinema.

As if that weren't enough, consider the movie history of the Passaic Valley region. In 1903, director, Edwin S. Porter picked what is now Totowa and West Paterson to make one of the first important movies in America, "The Great Train Robbery". The hills of Garret Mountain and what is now Route 80 and McBride Avenue exploded with imaginary gunfire as silent movie cowboys created the first film in the history of movies to tell a narrative story. After "The Great Train Robbery" was released, movies would never be the same — neither would the Passaic Valley region, which almost became the birthplace of the new film industry. In fact, if movie makers hadn't discovered how wonderful California weather was, the famous Hollywood sign on Hollywood Hills would probably have been placed high on our beloved Garret Mountain and many P.V. students would now be working part time as movie extras.

The theme of this book fondly remembers our connection with movie history and demonstrates our love for a medium that both entertains and educates us.
