To: The Class of 1994
 Re: Some Final Thoughts

1. You know I couldn't let you leave P.V. without at least one more memo!
2. A long and winding road led me to the Class of 1994, and it ended up being one of the best journeys I've ever embarked on in my whole life! You've taken me along with you in your joys, your sorrows, your triumphs, your disappointments. Thanks for letting me come along for the ride!
3. My heart is full of wonderful memories of you and your families. My deep thanks for your support, your encouragement, your kindness, and your example of what "FAMILY" really means.
4. Few educators are blessed in such a way that they are able to count as significant and special 262 separate students--and all at one time! I have been blessed by knowing you, and I am grateful to be able to say to my dear friends, the Class of 1994: You have touched me and I have grown. You have made me a better person than I was before I met you.
5. You will continue to be in my prayers and in my heart for all time. You are loved by this counselor.

Maureen E. Kolis

Advisor To Class Of '94

June, 1994

As you take the next steps in your lives, I must say good-bye. We've been together for four years now and our relationship has been like that of a strong and loving family. We have shared each other's hopes and comforted each other in times of pain. We have worked together for a common goal and enjoyed the effort it took to achieve the goal as much as the satisfaction of a job well done.

The Class of 1994 has been a ground-breaking class. We have initiated events at Passaic Valley that never existed before we had the vision to dream of them. Now these events mark the landscape of Passaic Valley High School.

We have been the "Can you top this!" class and we have surprised everyone, except ourselves, as each year we managed to achieve in spite of the odds and the dissenters.

When I think of the Class of 1994, I think of many things. I think of you as role-models. I think of you as assertive, ambitious, challenging young people who have revitalized me as a teacher and as a person. I believe in you and I know you will each succeed at your goals because you believe in yourselves and you have the courage to achieve those goals against the odds.

To your families, may I express my gratitude for the opportunity to know you and your children and to have participated in their lives in some small way. I want you to know that I took a great deal more from them than I gave. I am the richer for having shared this time with them.

Someone wiser than I once said, "Your children are living messages you send to a time and place you can never see." We can look at the Class of 1994 confident in the knowledge that they will shape and mold the twenty-first century with the enthusiasm and courage that has marked their careers at Passaic Valley.

With the comfort of that thought, I say God bless you and God speed.

Sincerely,
Carol Schatell

Senior History Of The Great Class of 1994

We, the bicentennial babies of late '75 and 1976, entered the halls of Passaic Valley on September 8, 1990 to embark on the journey as "the Great Class of 1994."

Freshman year . . . we were the underclassmen, the peons, who quickly came to understand our place in the lunch line- forty consecutive, stagnant minutes of hunger pains, as those "high and mighty" seniors meandered their way to the front, without an ounce of remorse. Fall brought about not only the change in leaves, but a change in our lives as well. We adapted to the lifestyle of a high school student and to the new friendships that would forever be remembered. Our freshman athletes had their first taste of triumph and defeat as "Hornets" and built the strength and skills needed for the fall of 1993-our Senior Year. The Class of '94, under our advisor, Mrs. Carol Schatel, brought back the dances, starting with the Freshman Mixer, the Super Bowl Dance, the February Boredom Buster, and the Spring Thing. We initiated yellow ribbons on behalf of the Class of 1994 in support of our troops in Desert Storm. The class also involved itself in various activities and clubs: the fall play, *Crimes of the Heart*, the Christmas play, and *Once Upon a Mattress*, the senior play. There was the annual Winter Musical, and winter sports came and went. The girls had their very first Girls' Show, ending in a white night. There was the Art Show, the Pops Concert, spring sports and spring fever, the Spring Concert. The class participated in the Super Cities Walk for Multiple Sclerosis, raising money for people other than ourselves. And then the summer of 1991 came-the time to leave PV for two brief months of tanning and vacationing . . .

Sophomore Year . . . We were no longer the "frosh", one step closer to our diplomas. The class, as a whole, became one of the richest classes Passaic Valley has ever seen. Again we had the fall sports. Some athletes played on the Varsity teams, while others remained on JV. There was another fall play, *Teach Me How To Cry*, the dances, and the National Honor Society induction ceremony. Winter brought about winter sports, the Christmas play, and the Winter Musical. In the spring, there was spring sports and the Senior play, *Starmites*. The class instituted the first ever Sophomore Social, which has become a tradition at PV ever since. Girls' Show 1992- the Greens swept every major event, walking away with the night flag. Then there was the annual Art Show, displaying our budding artists. Friendships became more solid, and although there were fights, the good times always outweighed the bad. Another summer flew right by, bringing us to . . . Junior Year . . . We became upperclassmen; only one class was ahead of us. As juniors, we began to concentrate on our post-

graduation plans- college and technical school and jobs. The country elected a new president, Mr. Bill Clinton. The entertainment industry was booming, the economy was struggling, but still, the Class of '94 remained strong. The Junior Cotillion, "Take My Breath Away", was held at the Manor on December 3, 1992. We held a ring-turning ceremony when we received our tiny trinkets of membership of the Class of 1994.

There were sports and various activities throughout the year. The Whites saw another victory in Girls' Show 1993. Most of us got our licenses and found ourselves in our cars, driving down the infamous Jersey shore on Senior Cut Day. Once again the summer came and went. About twenty-five of our fellow classmates attended an extended education program at universities and colleges. And finally, the moment we had been anticipating for three, long years . . .

SENIOR YEAR . . . We were the Seniors, the top class at Passaic Valley. The traditional senioritis kicked in as we entered PV on the first day of school, September 9, 1993 for the very last classes and those little freshmen on the lunch lines. WE were the ones who were presidents and other officers of the clubs. WE were the *Valley Green* and *Valley Echo* staff members. College application produced the usual hassle and stress to many of our class members. Over eight hundred transcripts were mailed, pleasing Mrs. Kolis with the surprisingly high number of students applying to college. Acceptance letters poured in and scholarships were granted. There was a final Girls' Show, one last Art Show, wrestling matches, basketball games. We waited in anticipation of the Prom, the parties, the signing of yearbooks, the goodbyes, final exams, Operation Graduation, Senior Cut Day and Memorial Day Weekend, and the inevitable night of Graduation. Standing together as a class one last time as the cameras snap and the hats fly and the tears fall, the Great Class of 1994 may depart and move towards success and happiness in future endeavors, but the friendships and experiences shared throughout our four years of Passaic Valley will be forever remembered and fondly cherished. True, we have all torn our school to shreds and looked at it with disgust, but when we flip through our yearbook and see our Circle of Friends, we will appreciate the meaning of "Those were the best days of my life". Our last night together as a class after the long haul through Passaic Valley never ends. The final flicker of our existence together leaves us standing on Walton Field and disappears into the night, searching for the good path of life or even just a road to follow, hoping to be reunited once again . . .

The 1993 Hornets had a better season than their record indicates. They were 4-5. This includes an excellent 3-0 start, in which they beat West Orange, Orange, and West Side. In the fourth game of the season they lost a heartbreaker to Lakeland.

The Hornets played their first home night game in years against Clifford Scott, but they lost to the eventual division champs. The next game the Hornets, who were still in playoff contention, got back on track by beating West Milford. The Hornets dropped their next 3 games to DePaul, Montville, and Wayne Valley. All these games were close. The average margin of defeat was just 10 points. Although the team did not accomplish what they had hoped to they put much hard work and dedication into the season.

Director Chris Bernotas

The Passaic Valley Marching Band underwent a drastic change this season. Under the direction of Mr. Chris Bernotas, the revitalized band and colorful guard put on a wonderful and entertaining show featuring "In the Mood", "Linus and Lucy", a drum solo, "Danny Boy", and the dramatic finish of "Swinging Chariots". The band entertained fans at football games and many competitions, including Championships at Giants' Stadium. This season was fun and exciting for all; good luck next year!

The 1993 Passaic Valley cross-country team was a return to glory for the boys team while the girls had a successful rebuilding year. Under the direction of new coach Vic Mizzone the boys posted a 17-0 record and won the Northern Hills Conference Championship. Behind county champion, Mike Grant and the boys finished fourth in the county and qualified for the state meet. The trip to the states was the first for PV in ten years.

The girl's team was in a rebuilding year in 1993 but still had strong individual performances from Ali Hawkins and Tara Nicolla. With the entire girls team returning next season the team looks to be a force in the county and conference.

The varsity field hockey team, lead by Coach Erynn Murray, did not enjoy a season full of victories. The 1993 season ended with a very disappointing record. However, it does not reflect the determination, aggressiveness, and effort that the Lady Hornets showed in every game. Under the leadership of captains Jen Swartz and Wendy Warren, the varsity team played with great spirit and sportsmanship and enjoyed a season of cheers, fun, and friendship. The 1993 field hockey highlights include Dance Beat "93", Daisy Dukes, and mascot Wayne Stolen. Next year's field hockey team hopes for a better record and as much fun as we had this year.

Lady Hornets

Retiring nine four-year players signifies the end of a dynasty. With the farewell of the Class of 1994 and the tremendous volleyball talent belonging to it, Passaic Valley loses an irreplaceable team. Placing second in the conference, second in the county, and reaching the state semi-finals tournament, the 1993 Lady Hornets pushed further than any P.V. Volleyball team to date. Also, it would be remiss not to mention the outstanding contributions made by underclassmen Jamie Apuna, Gina Kang, Christine Vicari, and Jaimee Pruiksma. Under the instruction of Coach James Hansen and Captains Laurie Kloss and Amy Buck the hornets wrapped up their season with a record of 15-5.

Lynn Fisher, occupied the third singles spot. Seniors, Christine Cannizaro and Nubia Reynoso, occupied the second doubles position. While Lauren Allu and Heather Lang, competed in first doubles. Megan Mendillo and Chris Casner contributed to the team effort and were very supportive. The squad thanks coach Vu Phan for his guidance and is looking forward to next season.

William Bierach placed second in the 3000 meter race in the Passaic County Championship and made second team all-county honors. The indoor season is used for preparation for the outdoor season which looks very promising. Next years team should do very well.

The 93-94 Girls' Basketball Team, led by captains Lauren Valentine and Karen Allmendinger, showed a great deal of talent and team work throughout the season. The young PV Hornet team possessed a lot of aggressiveness throughout the entire season. Considering their tough season, their record fell just below .500. Valentine and Allmendinger were the only 2 seniors on the team. The rest of the team consisted of 3 juniors, 5 sophomores, and 1 freshman. With most of the varsity squad coming back next year, the future for the Lady Hornets looks bright.

The 1994 Lady Hornets are very determined this year. With the four experienced seniors, Kristine Innocent as pitcher, Kara Mancini at short-stop, Laurie Kloss at second base, and Kara Cullen at right field these girls should have a successful season. Backing up our senior veterans are juniors Jen Hunter at first base, Mandy Yurkosky at left field, and Jamie Pruikmsa at center field. Also helping the team are sophomore Kris Vicari as catcher and freshman Carissa Roan at third base. Twins Jill and Kristen Dolinsky also add some much appreciated speed to the team. With Kathy May, Sharon Corby, and Tom Elliot assisting Coach Jim Ferretti these Lady Hornets should be on their way to winning the '94 State Championship.

Cheering Camp '93

The P.V. Varsity Cheerleaders are not known to be quiet girls, and they certainly lived up to their reputation at cheering camp this year. Once again, they managed to break just about every rule that the UCA staff had established. After a full day of grueling practice, these crazy girls topped off the night with water gun and shaving cream fights, a toga party, and sneaking in a few outside friends. The good times and great friendships which were formed will never be forgotten on that weekend in August.

The 1994 Hornet baseball season looks very promising. The club led by captains Blair Salveson, Don Galante, Jason Nagel, and Mike Welhorsky look to have a very strong season due to many returning seniors. This years varsity squad consists of 6 seniors, 3 juniors, and 2 sophomores. Passaic Valley looks to have a lot of success due to the team chemistry. Rather than having a couple of super stars carry the team, the 94 Hornets will rely on their ability to play together as a team, which will definitely result in a successful season for "94".

This year's Track team is looking for yet another successful season. With many returning Varsity players the Hornets should be contenders in the league and in the county. Training For Knighthood

The Junior Varsity Program lays the foundation for future success at the varsity level. Even though some JV players never reach the varsity level, they still compete with the same intensity as if they were part of the varsity program. JV players are usually not recognized for their accomplishments while varsity players are

constantly praised. JV players receive "hand-me-down" uniforms and are not as respected as varsity players. Young upcoming athletes should be commended for their hard work and ambitious attitude. Even though it may sometimes seem difficult to be a JV player, athletes have to remember even Michael Jordan played on a scrub team.

Even before Medieval times, art had been an outlet for expression and creativity. It has always been a way to show feelings, state opinions and display artistic values. Art has been an escape from the outside world, a place to be free.

That tradition continues today at Passaic Valley. Students are able to release their emotions through their artwork. Hard work and dedication breeds the excellence apparent in the art program. All of the hard work culminates in the Art Show, the ultimate display of talent.

Spotlight On Stagecrew

This year the Valley Green spotlights Passaic Valley's multitalented stage crew. Supervised by Mrs. Laurel Corsini, this dedicated group works practically non-stop to construct the working sets for the fall, holiday, and senior plays. These backstage heroes put in hours not just after school, but on Saturdays and vacation days to ensure that every prop is in its place and that every door opens.

In the past four years the "crew" has constructed fantastic sets for such plays as *Starmites*, *Into the Woods*, and *Teach Me How To Cry*, but the set for this fall's *Noises Off!* was the most elaborate by far. Standing fifteen feet high and rotating for scene changes, this set demonstrated the carpentry talent of the students. But stagecrew is not just for carpenters! Mrs. Corsini finds a job for everyone including painting, staining, sanding and wall-papering. Stage crew is made up of prop masters as well who are responsible for every piece of furniture and every item that is to be on stage.

Stage crew is by far one of the most challenging, educational, and fun activities offered at P.V. It acknowledges as many different talents and strengths as possible while stimulating creativity and building self confidence.

Sadly, stage crew loses seven valuable senior members including: Pete Baccaro, Mike DePope, Christina Feakes, Amy Gilbert, Jason Konzelman, Seung Lee, and Laila Uddin. No need to worry though. The juniors, sophomores, and freshmen who have learned under their wings are ready to face the challenges and responsibilities ahead.

Working Class

In today's society, many students hold part-time jobs. With these jobs, comes a great deal of added responsibility. Over and above the pressures of academics, students who have jobs must also face the strain and stress of the workplace. Although holding a part-time job as a student may be difficult, it can be extremely rewarding. Working students enjoy the benefits of a weekly paycheck and a tremendous sense of pride. Perhaps, more important, they are able to prepare themselves for what lies ahead in the real world.

Thoughts On The Medieval Period

Contrary to popular misconception, The Medieval Period was not a "Dark Age". It was rather a time when scholars rediscovered and preserved the glorious art & literature of ancient Greece and Rome. It is true, of course, that much like our own era, the Medieval Period was an age of violence and political turmoil; it was also a time of chivalry, honor, great deeds, noble quests, and perhaps a dragon or two.

Now that the end of the millennium is upon us, the resemblance between the Medieval Period and our own age is becoming clearer. Sadly, our own time, too, has been marred by terrible wars and great upheaval, and not unlike the Middle Ages, which ushered in the magnificent 14th century Renaissance, our own scholars are dedicated to preserving and advancing the arts and sciences.

I wish the Class of 1994 well, and as we await the 21st century with great expectation and unlimited hope, we can anticipate that the coming era will inspire a new Renaissance, bringing your generation not only advances in the arts and sciences, but also in the human spirit as well.

But through it all you have grown and matured into a beautiful and thoughtful young woman. I know you will keep up the good work in college and make us all proud of you. We love you very much. Love Mom and Dad

SALLUCE, FRANK - I have enjoyed every minute of your growing years. Nothing could ever top the happy memories of all the steps you have taken. Now, I look forward to watching the steps you take as you approach your adult years. My best advice to you is to remember your roots, and to thine own self, be true. Your brother & I love you & we wish you happiness & success. I will always be here for you, even when you think you don't need me. Love forever, Mom

SALLUCE, FRANK - I am darn lucky to have had the privilege of watching you grow from a little critter to a big possum. Now that you're a grown up fellar, all your kinfolk is counting on you to do yourself proud. I know you want to be like your idle, Jethro, but you can't sit around eating vittles all day. The only thing you learned about the moon, is when you drink it and shine all day. Love, Ma

MATERA, APRIL-JOAN - It seems like only yesterday you were our perfect little girl. Well success does not come easy - but - Success is ours - For today we are very proud of the find, responsible, young lady you have become. Build upon the solid foundation we have set down for you and success will also be yours! Whatever you do or wherever you go, you can be assured of our love, support, and encouragement. We trust and love you unconditionally! And we wish for you all the best things that life has to offer. God Bless You! All our love forever, Mom Dad Julieann & Dinamarie. P.S. Remember those famous words "B.A.G.A.Y.A.B."

To my favorite graduate-We wish you much success and happiness in the years to come. You have always made us proud and we're sure you will continue to do that. We love you and will always be here for you.-Much love, Mom and Dad

Mr. Sayegh,

Thank you for all your guidance and dedication. Without it, we would have never been able to make the yearbook a success!

Thanks for Everything
We'll miss you!

GOOD LUCK CLASS OF 1994!

Remember when
we used to say
"There's a long
way to go?"
Never really gave
it much thought
What little
we did know
For another year
has passed us by
And soon we'll be
on our own
To get a job
and settle down
And to call
someplace home
Staring at the
hour glass
The sand is
almost gone
best we can do.

The clock on the wall
is striking twelve
We must be
moving on
Our time for play
has disappeared
But we never
had a fear
We shared some
laughs and some smiles
And soon we'll
shed a tear
The road of life
has many paths
Don't know which
to pursue
Don't know
what the future
holds, but
we'll do the
