With the approach of the new millennium and talk of chaos from Y2K, the yearbook staff felt that a theme should be chosen that represents the trepidation associated with the new millennium. "It's the end of the world as we know it ... and we feel fine" is hopefully an optimistic representation of the Class of 2000's view of the situation. It is not the end of the world, but a new beginning for the class of 2000. We are leaving the secure confines of Little Falls, Totowa, and West Paterson, in search of a different perspective of the world. Our world of Passaic Valley High School is over; the years of academics, sports, friendships, and new opportunities, will be replaced by new faces and challenges as we embark on the journey through college life. As we depart from the familiar walls of Passaic Valley, the Class of 2000 knows that their four year world is ending, and they do feel fine!

Dedication

Mrs. Carol Schatel

Each year the yearbook is dedicated to someone to show appreciation and gratitude for the help and guidance they have given to the class over the previous years. The Class of 2000 would like to dedicate the yearbook to Mrs. Carol Schatel, an involved teacher, class advisor, and friend to many at Passaic Valley. Her enduring support and energy has made the Class of 2000 the most successful ever. With the help of Mrs. Schatel, the Class of 2000 has reached the monetary goal they set during freshman year. The Class of 2000 would like to thank Mrs. Schatel for all the time and energy she has put into the events that have made our years at Passaic Valley memorable. Even after graduation, the Class of 2000 will remember Mrs. Schatel's enthusiasm, thoughtfulness, and most of all her devotion. Thank you Mrs. Schatel!

Faculty

THE CORE OF THE WORLD

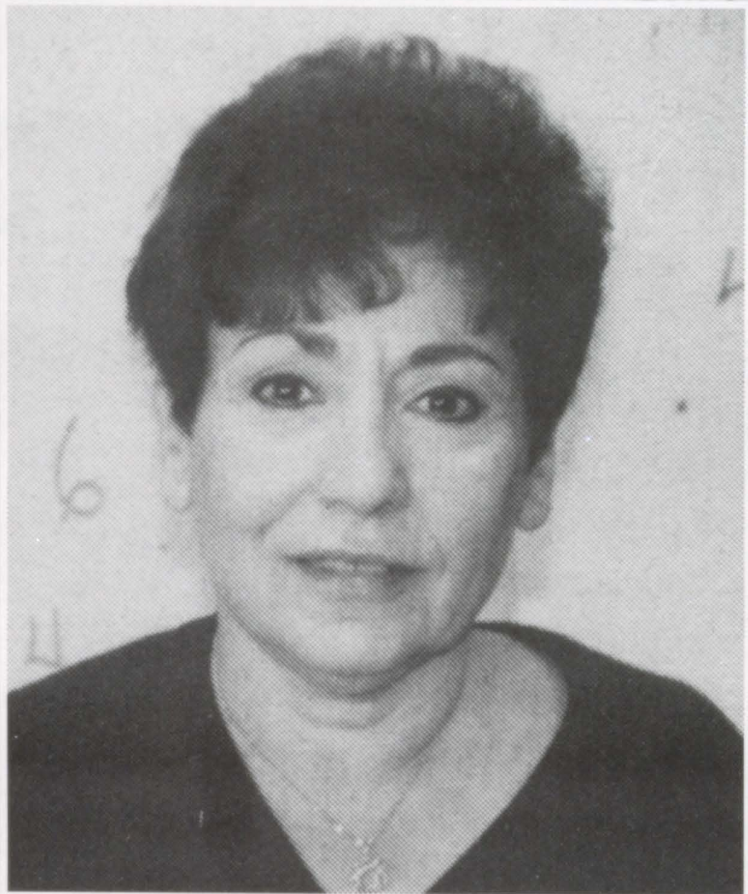

We see them in the classrooms, roaming the halls, and attending sporting events. They are more than just teachers, they are the core, the driving force behind our world, at Passaic Valley. They possess this unbelievable energy that we, the students, thrive off of. The teachers do not just teach us English and math, they are here to prepare us for something larger, the universe. From them we learn how to be the leaders, humanitarians, artists, or even mentors. Although we may take them for granted, their lessons are valuable. When it comes down to it, without their guidance we would not be able to prosper and become the responsible adults that we are destined to be. As we look ahead to our future place in the universe, we can reflect upon their advice to guide us down the right path, knowing that it is both smart and reliable. That, in itself, is the best gift that we will ever receive.

The End Of The Line

Helen Morris was a member of the Passaic Valley Office Staff for twenty - five years. As a Secretary/Bookkeeper in the Business Office she performed her job with a remarkable level of professional integrity, enthusiasm and concern for all those she came in contact with. For those of us who have had the privilege of working with her and knowing her she will be missed. We wish her the best in her retirement.

Elizabeth Santillo has retired after an illustrious career at Passaic Valley that spanned the years 1972 - 1999. Mrs. Santillo started college at Rutgers University, then transferred to Montclair State University, earning a B.A. in mathematics. Before beginning her teaching career, she worked for Prudential as a programmer. Prior to coming to Passaic Valley, she taught in Plainfield and Montclair.

At PV, Mrs. Santillo taught mathematics - Geometry and Algebra - and was advisor to the cheerleaders. The highlight of her career was her work in developing the Computer Science curriculum. Mrs. Santillo initiated courses in programming languages, including BASIC, FORTRAN, and Pascal, as well as a Microprocessors in Business course that integrated the word processor, spreadsheet, and data base. She developed the AP Computer Science course and was proud of the success of her students in the exam. In an era when few students had home computers, she initiated the computer lab, both before and after school, where students worked earnestly on their programming assignments. Her hard work earned her "Teacher of the Year" honors for the 1987 - 88 school year. Truly, the technology courses at Passaic Valley had their foundation built by Ms. Santillo.

While developing the Computer Science program at Passaic Valley, Mrs. Santillo earned her master's degree in computer science from Fairleigh Dickinson University. A master teacher, she taught workshops for faculty and staff after school, both at PV and several other area schools. She also served as an adjunct instructor of Computer Science at Passaic County Community College, Caldwell College, and Bloomfield College and as was a computer consultant to various school districts.

When the technology curriculum was restructured, Mrs. Santillo returned to teaching mathematics in her remaining years at PV. Although she has left PV, she leaves a rich legacy of dedication and innovation in technology. We wish her years in retirement are spent in good health and pursuit of her interests and hobbies.

STUDENT LIFE

THE WORLD I KNOW

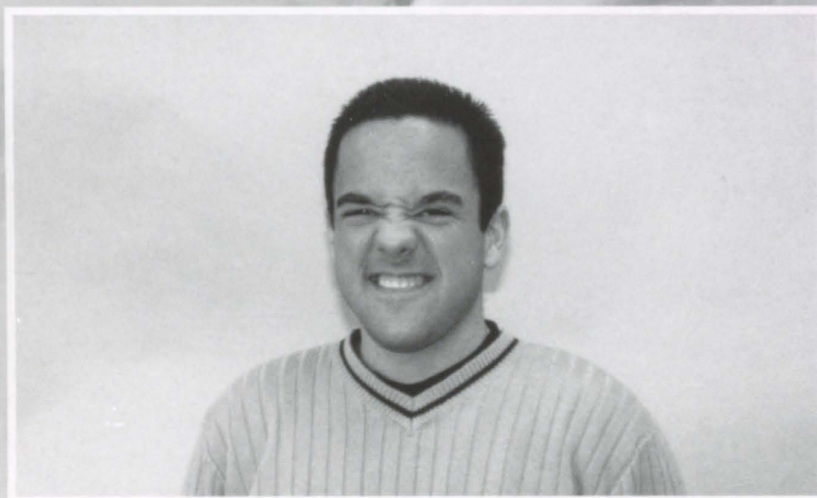

Homework, studying, essays, and friendships all come to mind when a student thinks of life at PV. It's a fast four years that fly by in the blink of an eye, and sometimes students fail to appreciate the experiences that occur in this time span. Instead, most look to the future and scramble to reach senior year. It is not until they reach the edge -senior year- that they slam on the brakes and come to a screeching halt. It is at this moment that they view the world gone-by. The thought of leaving the familiar world of PV- the friendships and activities- seems intimidating, but at the same time, the challenge the future presents is enticing. Thus, each year with a feeling of trepidation, the seniors choose the next step in life's path and leap to an unknown world, filled with unfamiliar places and faces. They are forced to discover a new way of life, but they will always remember their four years at Passaic Valley. For it is the world they know!

Seniors

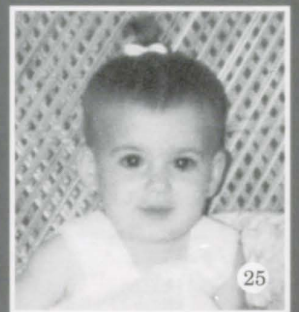

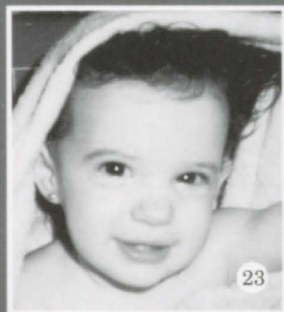

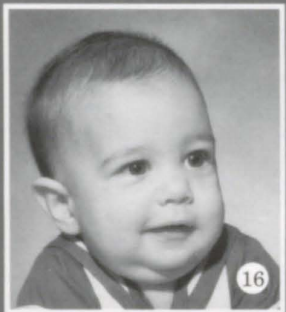

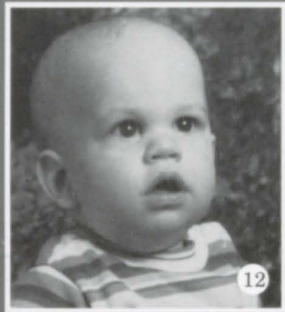

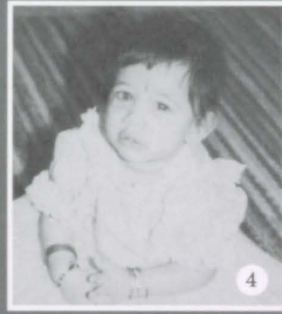

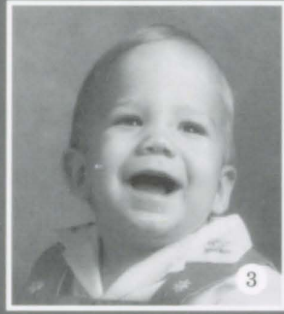

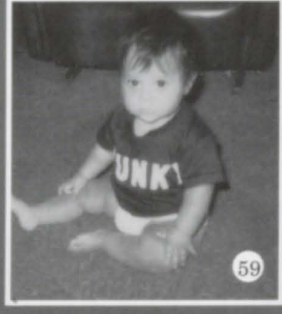

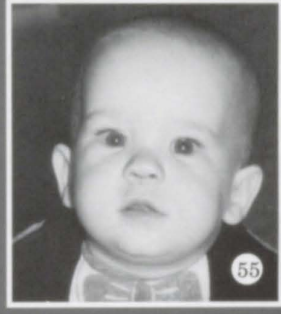

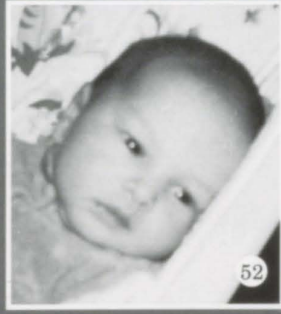

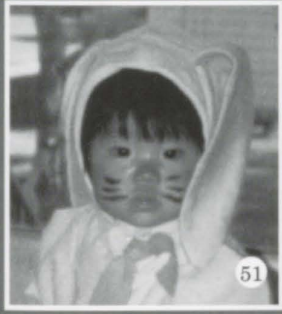

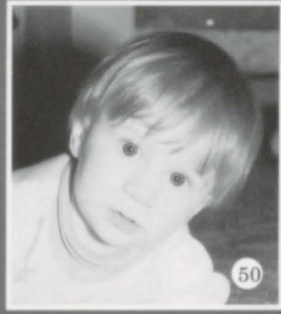

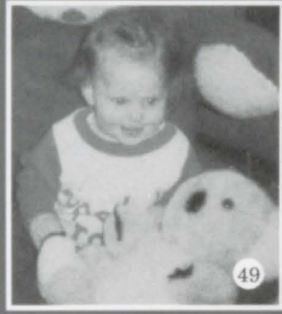

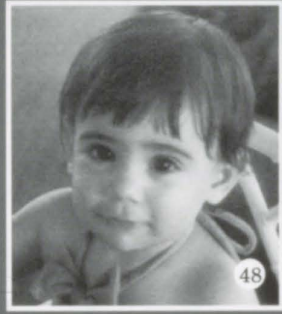

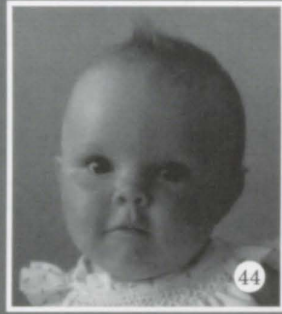

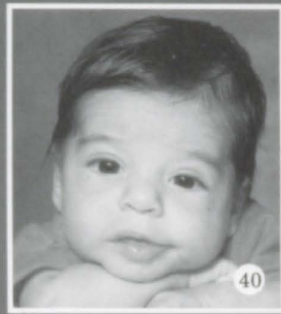

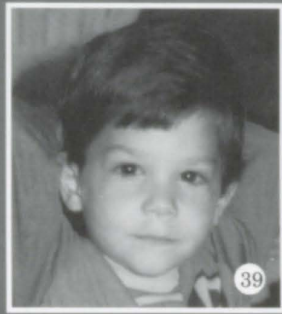

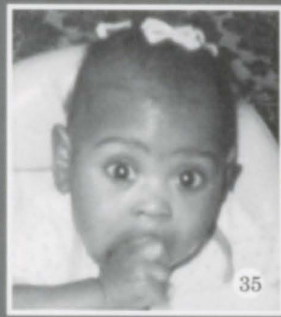

THE WORLD ACCORDING TO ...

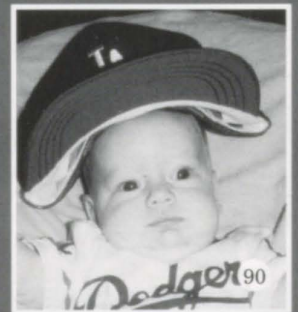

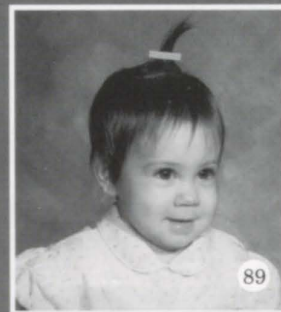

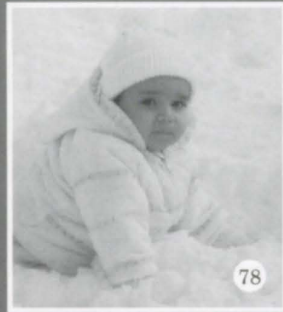

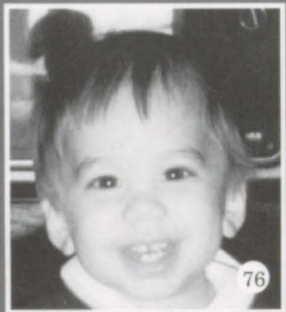

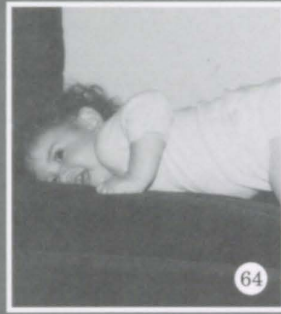

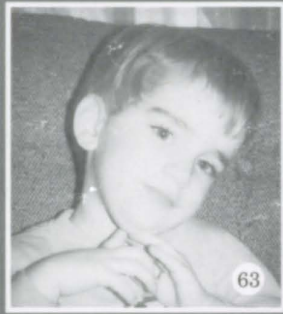

As Seniors look back upon their lives and their four years at Passaic Valley, the following pages will mean the most to them. It is their world, their childhood, their memories. They will travel through each stage of their life, past and present. From the *small world* of childhood to their impending *world premier* in June, this is the *world according to us*-the seniors. No one can ever relive the moments we experienced; only the pictures can remind of us the world we once knew and know right now. Pretty soon, we will leave the comfort of the *world of PV* and enter the real world. Once again, we will be *aliens to the world*, in new places and environments. We will have to start from scratch and expand upon the *small world* we were once accustomed to. We are the future world leaders, teachers, doctors, and parents, but we will never forget the world we began in. As a class, we share that one common bond-Passaic Valley. Nothing can ever strip us of the memories and experiences we gained during these four year of our lives. As each of us travels the world, let us add to the pages that follow. For the World According to the Class of 2000, does not end here. It continues, like life, forever.

A World Of Good - Class Advisor

Dear Class of 2000

Every teacher strives in life to be a role model, a mentor, to give her knowledge of life and what she has learned to the students who pass through her classroom. I am no different. I want to leave you with a memory to take into your future — a good memory, a positive recollection. You are going farther into the future than I can ever know. I want to go there with you and I can do so by being a part of your memories, helping to shape your lives by my words and deeds.

If ever you look back to Passaic Valley, think of me for I will be thinking of you. I will be wondering about your successes and your failures, you will be molded by both. I believe we here at Passaic Valley and your families have given you the resources to prosper and thrive in the face of adversity and I am confident that you will share that great gift through your potential role as parents for a new generation.

Christa McAuliffe, teacher - astronaut, who died in the explosion of the Space Shuttle, Challenger, was credited with saying:

I touch the future I teach.

Let me do the same, let me see the future through your eyes. Let me touch the future through you and what you can become. Let me know the future through your mind and through your experiences. This one gift will allow me to be like Christa McAuliffe and I will be eternally grateful to you for your generosity.

For each of you, I hope that you will realize your life's ambition but with just enough adversity to make you feel that you earned the success. I hope you will measure your life in terms of the number of people you have touched and not the number of dollars in your bank account. Finally, I hope when you close your eyes against the world for that last time, you will sleep peacefully and comforted by the memory of a good life.

Sincerely,

Carol Schatel

WIDE WORLD OF SPORTS

The ball is tipped
And there you are
You're running for your life
You're a shooting star

And all the years
No one knows
Just how hard you worked
But now it shows

One shining moment, you reached
deep inside, One shining moment,
You knew you were alive

But time is short
And the road is long
In the blinking of an eye
Ah, that moment's gone

And when it's done
Win or lose
You always did your best
'Cuz inside you knew ... (that)

One shining moment, you reached
deep inside, One shining moment,
You knew you were alive

Feel the beat of your heart
Feel the wind in your face
It's more than a contest
It's more than a race ...
And when it's done
Win or lose
You always did your best
'Cuz inside you knew ... (that)

One shining moment, you reached for the
sky, One shining moment, you knew
One shining moment, you were
willing to try
One shining moment ...

Walking A Fine Line —

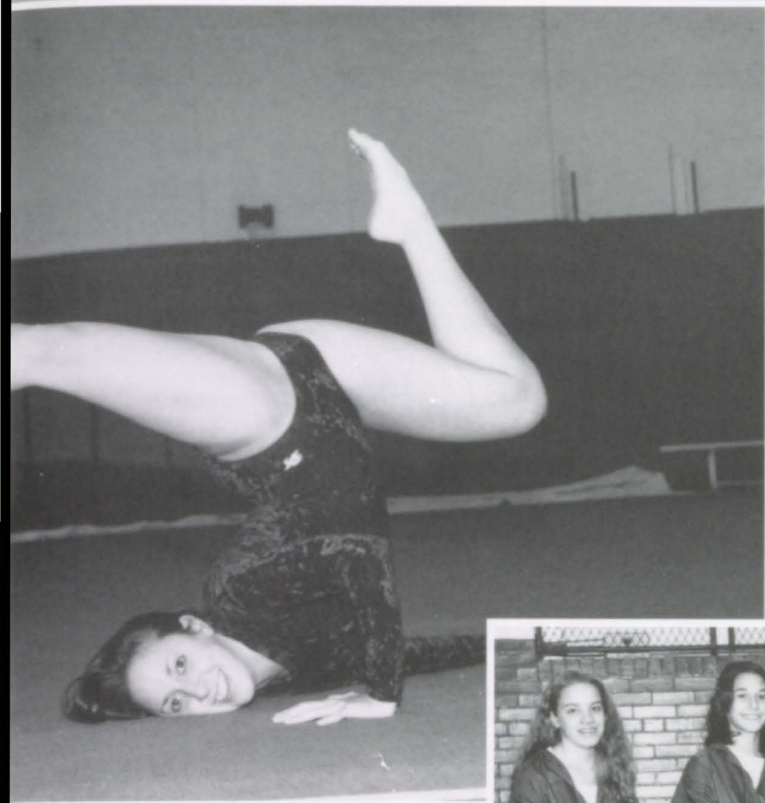

Captains Erica Phifer & Nicole Koster with Coach Jenai Agosta

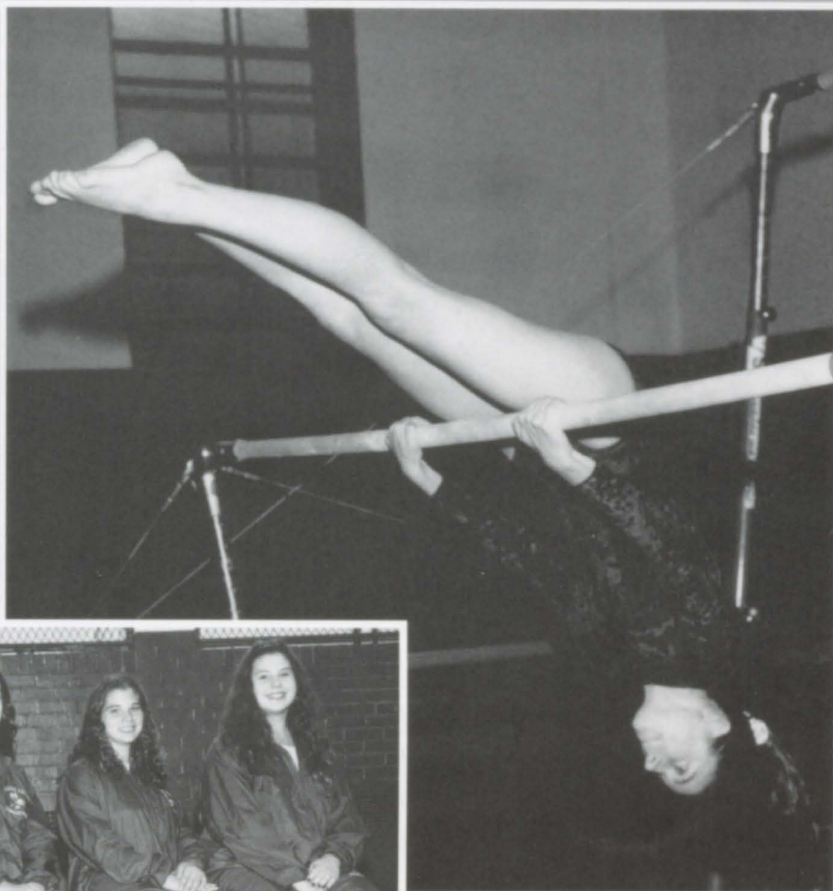

The 1999 Gymnastics Team was led by captains Erica Phifer and Nicole Koster. Unfortunately this year, there were not enough competitors on each event to receive team scores. As individuals, though, Freshman Nicole Stryker received 2nd Team All-Conference on the Uneven Bars and Seniors Erica Phifer and Nicole Koster received Honorable Mention in the Conference meet. In the County meet, Senior Erica Phifer received 2nd Team All-County on the Floor Exercise, Junior Julie Molinari received 2nd Team All-County in All-Around, and Senior Nicole Koster received Honorable Mention. In typical valley tradition, it was a very successful year and the girls had a great time.

After a disappointing first half of the season the Hornets quickly rallied back to close the second half of the season 5-4-1, finishing with an overall record of 8-10-1. The Hornets were led by seniors Ben Reposa, Steve Cusamano, Frank Orefice, Max McPhail, Nick Nagy, Mike Jasnic captain Devon Melone and captain Rob Constantin. Also contributing were Juniors Jeff Drobick, Neil Didio, Tom Petofi, Chris Miller, Kevin Brandell, David Leporini, Ruhan Derti, and Tom Yutko. Sophomores Giovanni Hurtado, Gino Disanti, and Dany Jasnic, along with Freshman sensation Marcello Fallano, also contributed to the team. The Hornets had numerous close games, four in which went into overtime. A highlight of the Hornets season was the first round county tournament game, where they took on the number three seed Eastern Christian. The hornets pulled off an amazing upset which went into overtime. Although the Hornets didn't make it to the World Cup they truly had a great season which was the result of hard work and dedication.

This year's team was the first in school history to make it to the state playoffs. Going up against Indian Hills in the 1st round, the girls knew they had to be at the top of their game. Unfortunately, the Hornets weren't able to overcome the offensive force of Indian Hills. Despite the tourney losses, the girls look to improve in the years to come.

RUNNERS' WORLD

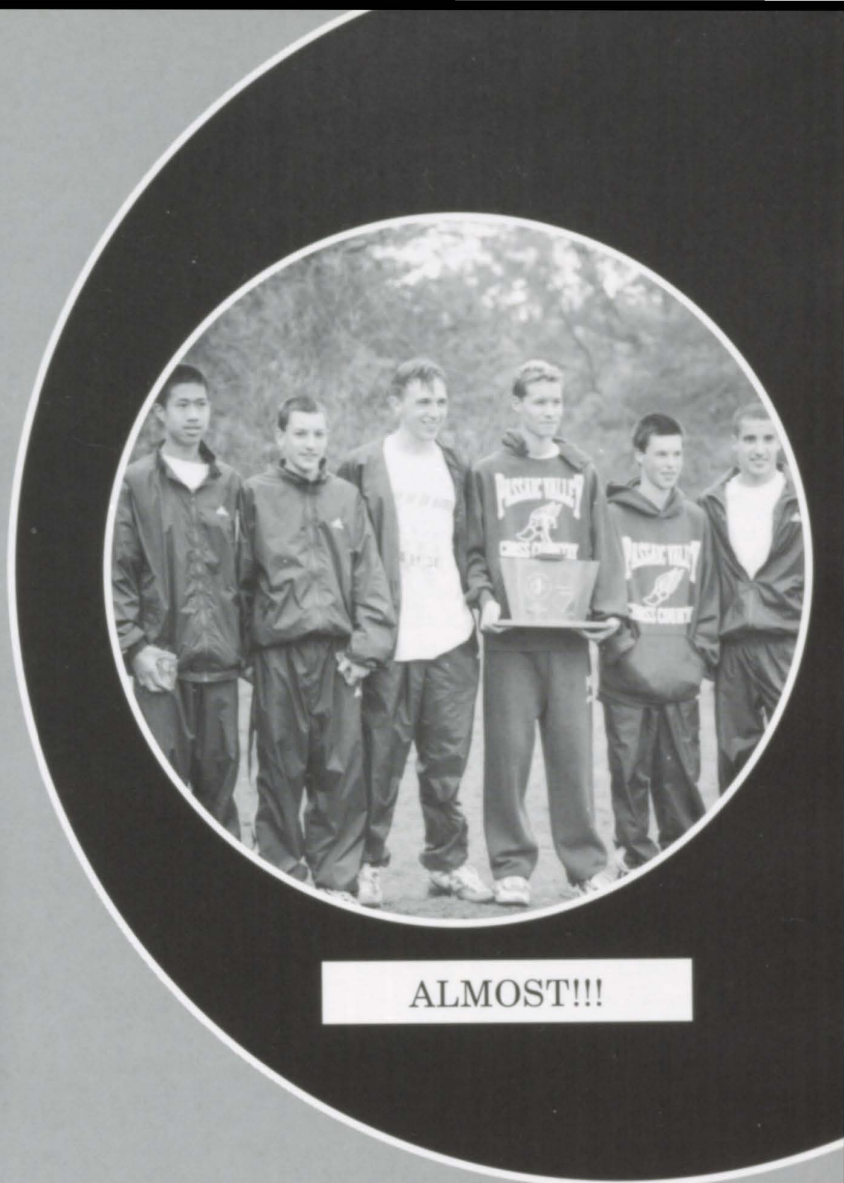

The 1999 Cross-Country season was filled with numerous surprises. On the boys' side, the team strode to a perfect 17-0, defeating the likes of Wayne Valley, Delbarton, and West Milford. Youth, experience, and a solid core of runners made this season successful. Senior Captain Brian Miller led the team to victory, with the support of Senior Chris King, and Juniors Mike Piccirillo, Allen Soohoo, Joe Polifonte, and Mark Nocito. Under the direction of seventh year Head Coach Vic Mizzone, the team knocked off upstart Wayne Valley in the first meet of the season. This key victory provided the team with the confidence needed to surpass all expectations and attain a share of the conference crown. The team then set its sights on the County Championships, but fell short, placing third to Manchester and Passaic. Despite this, the team's determination never swayed; instead, they used this race as a lesson for the future. It prepared them for one of the most important races of the year; The Group III State Sectionals. On this foggy Saturday morning, the team ALMOST slithered through the fog with the State Championship, but a scoring error stole their glory, dropping them to second best. The team accepted the mistake and finished their season at the State Championships, placing fifteenth in Group III.

Complimenting the boys, the girls' team, led by Senior Captain Katie Poremba, completed the season at 12-6. Freshman sensation Jesse Mizzone led the girls through each race, and captured the individual conference title. Despite the teams' youth and inexperience, they still managed to join together and do their best each race. Many of their losses were very close, some only by a point. Key members on the team included Juniors Sara Nowen and Diana Campilango, Sophomore Krystal Cordero, and Freshman Erin Wilk. Overall, the 1999 girls' and boys' Cross-Country teams completed another exceptional season, discovering that anything's possible in RUNNERS' WORLD!!!

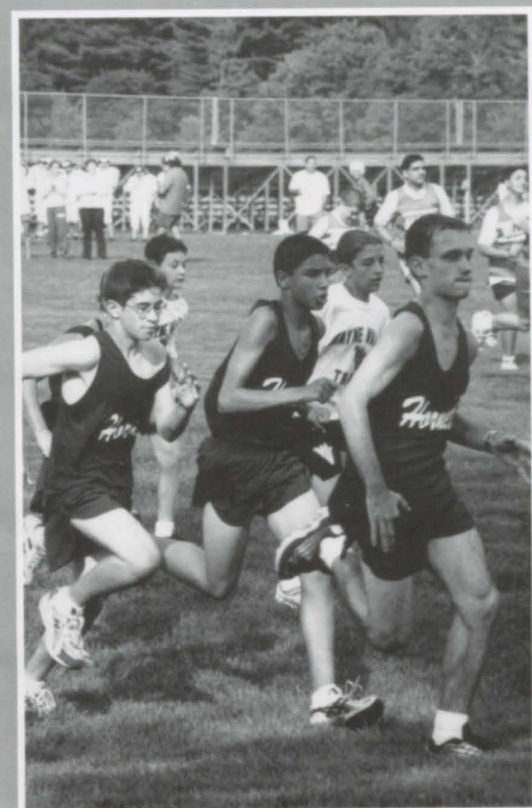

Seniors: Chris King, Katie Poremba, and Brian Miller

The Finer Points Of Love

The 1999 Girls' Tennis team had a very successful season. Under the coaching of newcomer Mike Pollard, the team finished with an impressive 9-10 record. The team was led by senior captains, Charissa Bacsik, Shirley Masand, Ellen Oh, and Cathy Pushchak. With the decision of strong leaders, hard work, education, and determination, the team was able to attain the respect of opposing teams. Often the girls can be seen practicing at the Rose Place courts. This will be a last year for many of the players who will be graduating in June. We wish all the seniors the Best of Luck in all they do.

State of Mind

If you think you are beaten, you are!
If you think you dare not, you don't!
If you think you can't win
and you know you can't
It's almost a cinch you won't.

For out in the world you'll find
Success begins in a fellow's will
For it's all in the State of mind

For many a game has been lost
Before even a step has been run
And many a coward has fallen
Before his work has begun

Think big and your deeds with grow
Think small and you'll fall behind
Think that you will and you will
For it's all in the State of Mind

The game doesn't always go
To the bigger and faster man
But the game sometimes goes
To the man who thinks he can

Lady Hornets Volleyball
"The Tradition Continues"

After losing six of their players last season, the Lady Hornet's volleyball team started the season with a huge void to fill. With hard work, determination, and a lot of attitude, the young team was able to surpass their own expectations for this season. Lead by senior captains, Tara Trovato and Jen Balady, the Lady Hornets finished with a record of 14-7, ranked eighth in the county, and thirteenth in the state. In addition, they placed fifth at the Bloomfield Tournament. Their success can be attributed to their outstanding team effort and the exceptional coaching of Bill Humes. Sue Gessler, Jen Balady, Cathy Velazquez, and Melissa Reed lead the team in serving. By the close of the season, Gessler had accumulated a total of fifty-two aces. The killer spiking of Tara Trovato and Yasmin Sueib frequently left their opponents decimated, frozen in fear. The accurate passing of Maria Katsanos was the building block of the Hornet's offense, making it easy for Gessler to set up one of the hitters. Defensively, Sueib and Reed lead the team in blocking. Also, the combined skills of Erin English, Jackie Conde, Jackie Wosilius, and Tory DeBlock contributed to the success of the team. Individual honors include Second Team All County for Trovato and Honorable Mention for Balady and Velazquez. Congratulations to the Lady Hornets on their season and good luck in the years to come.

Let's End On A Good Note P.V. Marching Band

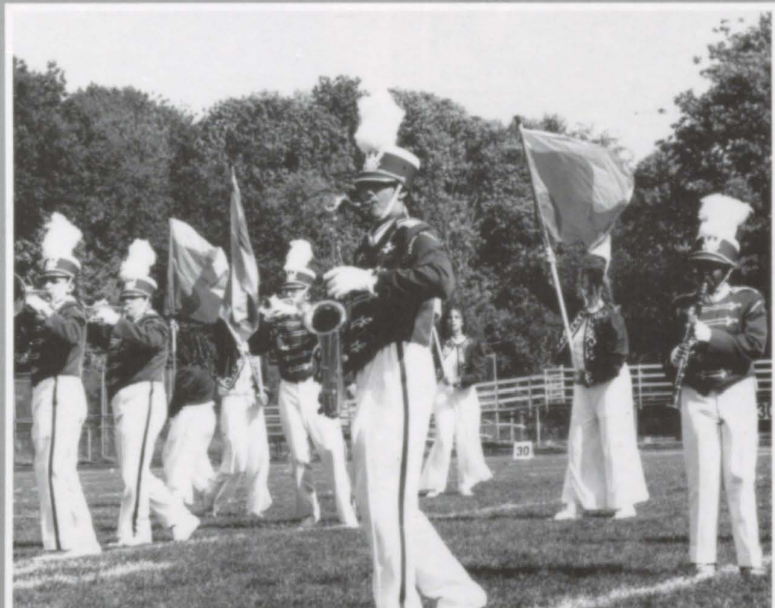

Counter-clockwise from top: Justin Barbieri, Kelly Billig, Dawn Donadio, Christina Charalampous, Christina Mustachio and Mike DeLuccia, Phil McCormick.

The Passaic Valley Marching Band began a dynamic year at a sweltering week of Band Camp in Lebanon, NJ, learning drills, flag work and music. After starting off the season under the lights at Wayne Valley, they organized their 4th annual home band competition, which was a notable success. During football games, the band broadened their scales by developing new band cheers and "booty beats" that kept the fans psyched. By winning first place at competitions all over the area, the band and colorguard were able to prepare for their most important competition at Giants Stadium. They finished off their year flying high, taking the state titles for 1st place colorguard and 6th place band ... and ending on a very good note.

"We're Cheering 'Till the End"

Our final season started off,
That first beat of the drum,
Now we see all that we did,
And how far we have come.

Endless summer practices,
Awards that we've achieved,
Our great improvement this past
year
Is quite often perceived.

Shaving cream at Rutgers,
POLICE LINE: DO NOT CROSS,
Memories that we would not
Take back at any cost.

"Farley, Farley" was our cheer,
With all our funny schemes,
Like faking broken ankles
To avoid the other teams.

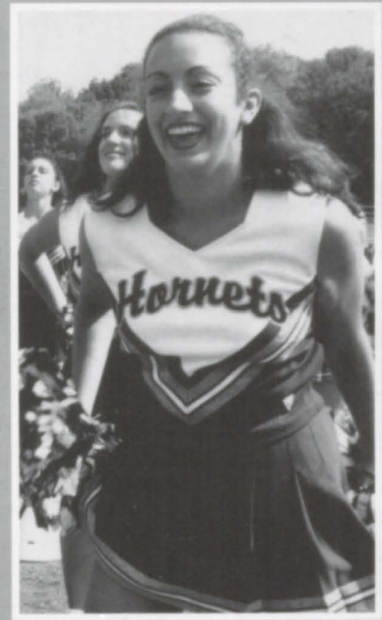

First place last year, a great
surprise,
For we were in our prime,
This year we came back even
stronger,
And did it one more time.

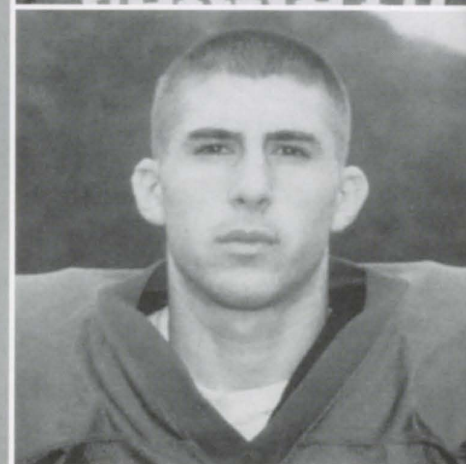

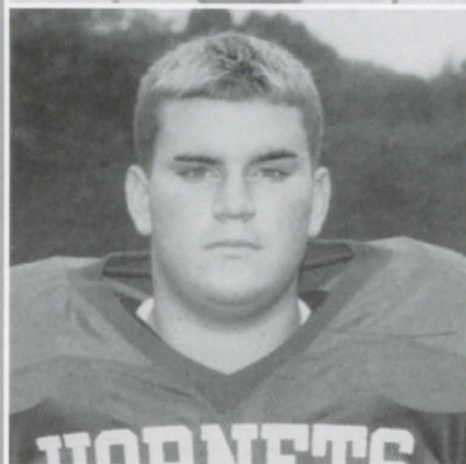

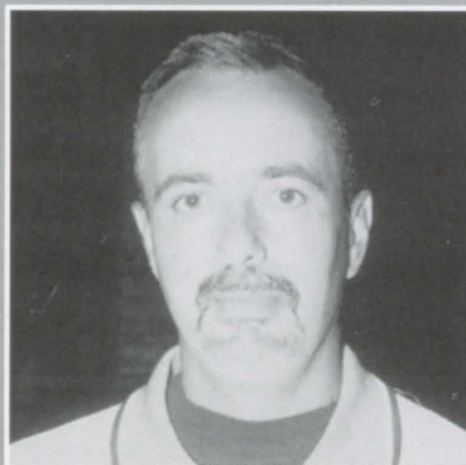

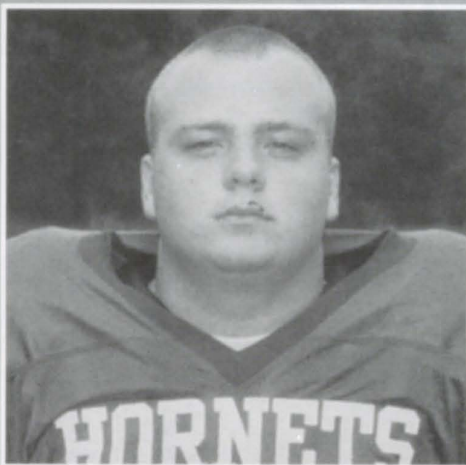

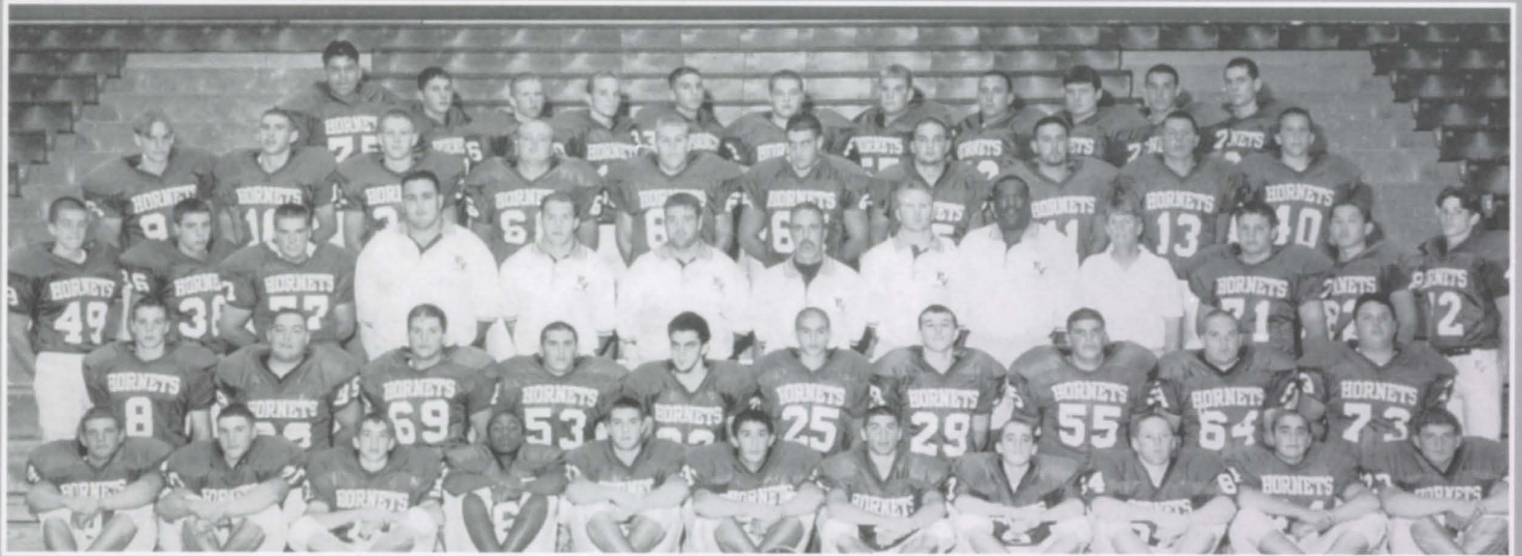

As senior year keeps winding down,
Our spirit will not bend,
Forever filled with PV Pride,
We're cheering 'till the end.

Pushing Toward The End Zone

The Hornets' 1999-2000 season was a season where a young team stepped up to play at a varsity level. With just 7 Seniors and Justin Marchi being the only returning player, it would be the Juniors who would make up the hub of the team. Due to youth and a new coaching style the Hornets had a slow start. With the leadership of the new head coach, Bill Johnson, they rose to the occasion improving with each game and making every game more exciting than the last. The Hornets ended with a record of 3-7 but these numbers don't give justice or reflect how hard the team worked and how competitive they've become. This isn't the end; rather its the beginning of a new wave of Hornets pushing towards the end zone.

St. Domincs, Clifford Scott, and Newark Tech in their own Christmas Tournament. With this being Coach Bill Humes' second year, the Hornets came out this year ready to give it their all. With the experienced seniors and captains, Jen Balady, Mary Nesnay, Erin McNeill, and Tara Trovato, every game was capable of winning for the Hornets. Also, the juniors, Stephanie Leporini, Melissa Reed, Diane Bolchune, Monica Fugate, and Shannon Paris, added to the success of the team.

The Hornets' for the second year in a row, made it to the quarterfinals of the Passaic County Tournament and the Group Three State Tournament. The Hornets' hard work and dedication has led them to a very successful season. The Hornets' finished up their season playing the number one ranked team in the state, Old Tappan.

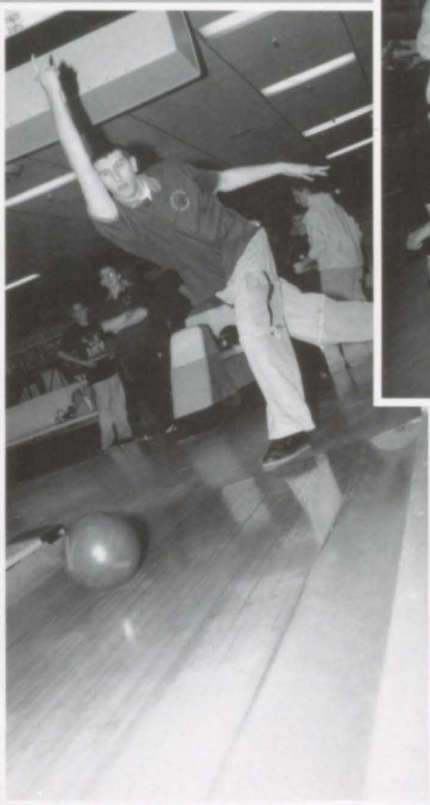

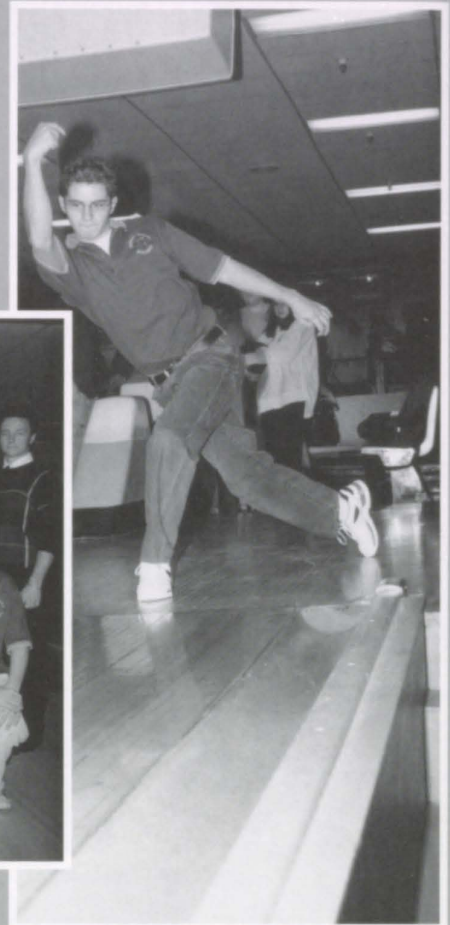

Spared From The End

The 1999-2000 season was a growing experience for the Hornet bowlers. This season would bring the entrance of a large group of freshmen to add to the already young team. Coach Frank Ariola's outlook for next season is very optimistic because the entire varsity team is returning. PV finished third in the Northern Hills Conference with a record of 12-8. Junior Co-Captain Dan Cook finished the season with a 192 average, and received First Team All Conference honors, while junior Co-Captain Jerry Porta ended with an average of 179 and Second Team All Conference. Also receiving Second Team honors were freshmen Mike Costello and Rob Cargill, while sophomore Joe Kay pulled out with Honorable Mention. The Hornets made a good showing at the County Tournament placing sixth as a team. Cook finished eighth as an individual. The young squad made an even better showing at the State Sectional Tournament, competing amongst teams from Passaic, Sussex, and Hudson counties. They finished ninth out of 35 teams as Cook stormed to seventh in a field of 155 individuals, advancing him to the State Tournament.

As usual, the 1999-2000 Indoor Track team completed a successful season through months of frigid weather, tiresome meets, and continuous laps.

Head Coach Vic Mizzone and Asst. Coach Angelo DeSalvo paved the way for a group of determined athletes to carry their competitive passion along the cold winter's trail toward the spring outdoor season. From start to finish the team ran with a smile and showed that hard work indeed leads to a strong performance.

Top competitors include senior Captain Chris King, juniors Kelly Billig, Mike Piccirillo, Jackie Wosilius, and Allen Soohoo, sophomores Krystal Cordero and Melissa Spencer, and freshmen Jesse Mizzone, Guiliana Minervini, and Erin Wilk.

The 1999-2000 Wrestling Team finished the season at 8-7 with all of their losses coming to state sectional qualifying teams. The team consisted of just two seniors, captain Gianni Pirelli at 171 and Mike Gorzkowski at 160, who provided the senior leadership on a very young team. Juniors Edwin Argueta, Jason Martin and Ed DeRosa had very successful seasons and should be District and Region contenders in 2001. Jerry Dawson, also a junior, was the surprise of the 1999-2000 season. His record of 15-9 was a huge improvement from the previous year. Chris Wright ended the season with a 30-4 record, capturing county, district, and region titles. Craig Wright had another successful season also, finishing with a 30-3 record and capturing district and region titles while placing second in the county. The lineup was rounded off by sophomores Lou DeMarco, Metin Yildirim, John Bevilacqua and James Hearney and freshmen George Heerema, Dean Schwayner, Steve Kildow, and Vinny Varcadipane. Freshman phenom Kenny Stiles finished the season at 24-6, placing second in the county, first in the district, and qualifying for the state tournament at 152 lbs.

The future looks bright for the Hornets who should return all but two varsity members of this year's team. With the superb guidance of coaches Nick Zarra, Mike Goodwin, and Ed Lobst, the 2001 wrestling team should be contenders for a state title.

The Boys' track team looks to complete a successful 2000 season under the direction of head coach Mr. Rich Porfido. Even though the team is comprised of a number of underclassmen, several returning runners hope to lead the team to victory. Key members include Senior Chris King, Juniors Rick Cristofol, Allen Soohoo, Mike Piccirillo, Mike DeSimone, Tom Yutko, and B.J. Gourley, and Sophomores Mike Puzzo and Alex Nagy. The team will also look to several rookies to contribute to the winning ways. Freshmen J.D. Worrall, Tony Martin, Steve Cristofol, and Kevin Pollizatto will all work hard to earn a spot on the varsity team.

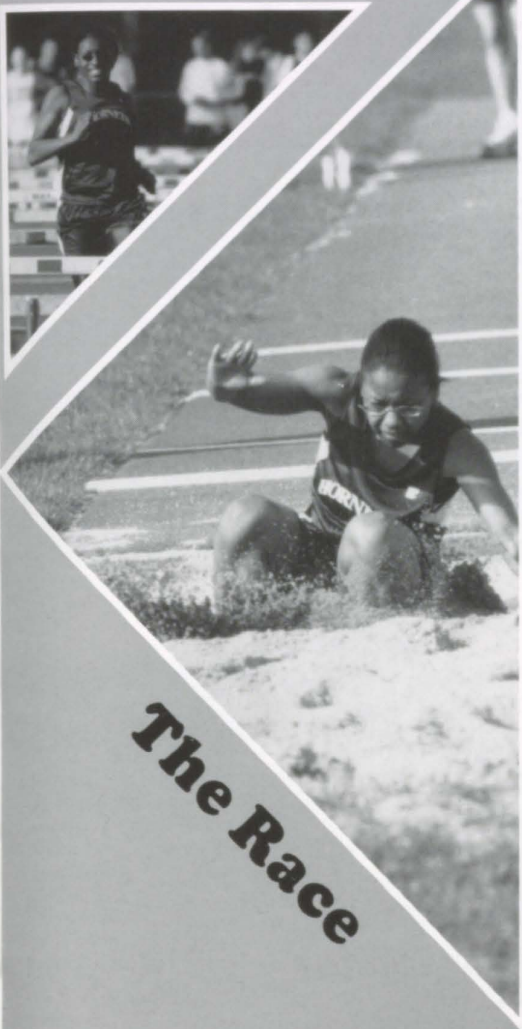

The End of the Race is the most difficult part because it is when runners are physically exhausted ...

The 2000 Girls' track team, which is led by head coach Mr. Rory Fitzgerald, looks to contend for the Northern Hills Conference crown this season. Seniors Desire Alexander, Maria Katsanos, Ginger Seriovic, Lara Batarseh, and Christine Wojnicz, along with Juniors Myesha Woodley, Jamie Gulla, Kelly Billig, Lisa Batelli, and Sophomore Krystal Cordero look to lend the team to victory. Freshmen Jesse Mizzone, Guiliana Minervini, and Kim Larson hope to run well in their first season. Hopefully the experience of the upperclassmen will lead them to another successful season.

They must fight through the pain to experience the ultimate goal-VICTORY!

AS THE WORLD TURNS

Like the world, many students at Passaic Valley are always moving. They are bodies in motion, striving to accomplish a goal. Whether they are in the choir, jazz ensemble, or another club, PV students are trying to make the best of their high school years. At times, one twenty-four hour rotation of the earth is not enough for most students. There always is another meeting to go to or more jobs to perform. Despite this, students continue to devote countless hours to clubs and school organizations. They enjoy the company, the friendships, and the hard work involved because they know that their high school experience prepares them for the world after PV. Therefore, the following pages are a true representation of the Passaic Valley community. These individuals are dedicated to enriching the learning environment because they are the ones that keep the world of PV turning.

"It's not a spoon, it's a ladel."

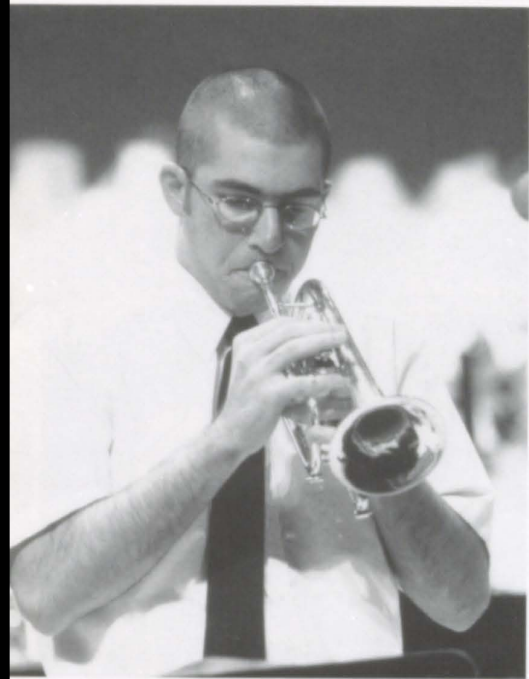

"You mustn't be ashamed. I think it's a rare quality in a man to cry."

"The name of this game is five-card stud."

"Who? Felix? No, he didn't show up tonight."

This holiday season highlighted those involved in the performing arts. The concert band, jazz band, and concert choir joined to create a joyous celebration in PV's annual holiday concert. The music heard in the halls during this time represented the magic of christmas and the joy of chanukah. The PV drama club also brought much happiness to the children of the community as they preformed "Santa and the Wicked Wazoo". The children had a great time and truly learned the meaning of christmas. This holiday season was a real success for all.

The Valley Green staff is more than just a group of students who put together this very yearbook. They are a family with a common cause. Every member relies on each other to get the job done correctly, on time, and to give the student body what they want. With time, cooperation, and dedication, they produce a single book of memories that characterizes the pasts and futures of the next generation of leaders.

You Mean The World To Me

Christine Aquilante: Thank you for all the love and joy you have brought into our lives. It's our pleasure to see how you have grown into a fine young adult. Good luck in college and beyond. You will always be in our hearts. Love Dad, Mom, Celia

Noelle Ashton: You've been a blessing from the start. We love you, daughter, with all our hearts! Love, Health, and Luck, Mom, Dad, Michelle, and Todd!

Gregory Paul Atry: 18 years ago we were blessed with a son. You have been a joy, inspiration and pleasure to watch "grow+grow+grow." We wish you all the luck, happiness and success in your future years. You deserve it! We will always be there for you. Dad, Mom, and Jeff

Charissa Baesik: Charissa, We're so proud of you and your accomplishments, and we admire the qualities you have developed over the years. We are confident that you will do very well in college. Keep up the good work and maintain those characteristics - continue to be a hard worker, conscientious in everything you do and so very dependable. Your good sense of humor makes you a lot of fun to treasure. We wish you the best of everything this life has to offer you. Love, Mom and Dad

Jenny Balady: It doesn't seem possible that our daughter, our baby, is leaving high school and going onto college. The days went by too quickly. You have grown into a beautiful young lady who has accomplished so much in these four years. Be proud of who you are and what you have done. As you continue to grow, take time to enjoy that world around you and look at all the opportunities that are out there for you. Learn not to doubt your abilities. Be strong and be patient and you will see that you can do anything that you want to. Always remember that "You're the best, I'll never leave you and I'll stay with you forever." These are the words that you said to me everyday for many years. Now I lovingly say them back to you. Our one wish for you is happiness always. Take time to smile and the world will smile back to you. We love you Jenny. Mommy & Daddy

Jenny Balady: Thank you for all of your hard work! You made my job a pleasure! I'll miss seeing those three point shots. ~Chinese Food

Justin Barbieri: You and I have had our differences over the last 4 years, but in spite of it all we've survived high school. You are different from your brother and I've always had a soft spot in my heart for you. I wish for you only happiness and fulfillment in all that the future holds for you. Love, Mom

John Paul Beese: The years have flown by so quickly and I cannot believe I am watching you graduate high school. It seems as though it was only yesterday that the fishing pole you were carrying towered over you. Time has passed and there have been both good times and bad but you have it through, just as I knew you would. The world is at your fingertips now. All you have to do is grab for it. We are very proud of the man you have become. We love you very much. Love, Mom & Joe

Karen Blanc: Dear Karen, May you continue to make me proud and pave the way for Steven. Congratulations! We are both very proud of you. Love, Mom and Steven

Maria Boscarino: Maria Concetta, these past four years have by so quickly. Soon you will be attending college. Good luck in college! May all your dreams come true. We are proud of you and wish you great success in the future. We love you. Mom, Dad, Seby, and Laura

Anthony Capo: We are so proud of you! Not just of your athletic and academic accomplishments,

but of the person you've become. You are a joy! Love always, Mom Dad, and Joey

Taralynn Cargill: Dear Taralynn, Congratulations on your graduation from PVHS! How quickly time has gone by. It seems like only yesterday that you were taking your first steps, speaking your first full sentence, making way home from school on that very first day! What a beautiful young woman you have become. You have given us so much to be proud of! Remember...we will always be there for you and we love you very much! May happiness and success follow you down each and every new highway of your life. Good luck in college, honey; follow your dreams! Love, Mom, Dad, and Rob

Remember that I adore you, and I'm sorry if you ever thought I was hard on you - but that only made you the Wonderful person you are. Nicole Koster: To my Granddaughter. I just want you to know how proud I am of all the talents that you possess. As I reflect back on your growing up years, I just want you to know that I have enjoyed our Easter egg colorings, our picnics at the park while pushing you on the swings, our many shopping trips to the mall but most of all our many late nite phone talks that sometimes lasted into the wee hours of the morning. I know that your Grandfather and sister look down on you from heaven and their hearts are filled with the same pride that I have for you. Coley you have grown into such a beautiful and caring young lady in such a short time it seems. I would like to offer this advice to my "youngest granddaughter" on this her high school graduation. Dear Nicky,

AKA: Sweetheart, baby boy, lover, boo, sexy, gorgeous, sweetie, hunny, babe. These past two years with you in my life has been the happiest days of my life. You have everything I have ever wanted in a boyfriend and I am never gonna let you go. I can't imagine what life would be like w/o love, and I can't imagine what love would be like w/o you. I will never forget all the times you were here for me. You are not only my boyfriend, but my best friend, and my knight in shining armor. I always dreamed of the perfect soulmate and I finally found you. You are the best thing that ever happened to me and I love you unconditionally. Always remember: Kim Anderson cards and plaques, the poem I wrote you, Prom's and Semi', KC and JoJo, Brian McKnight(1-2-3-4-5), Mase: tell me what you want, the summer of '98, "S", Our one year anniversary and the restaurant you took me to, the holidays we spent together, my sweet 16teen, Damien, getting pulled over, our bunnies and your teddy, sniffies, and last, my famous word "Ridiculous" etc. There are so many memories and hopefully much more to come. You mean more than the world to me. Always remember, I am here for you whenever, I love you very much and I never stop thinking about you any time of the day.

Love Always and Forever

The Best Of Friends

Some people come into our lives and quickly go.

Some people move our souls to dance. They awaken us to new understanding with the passing whisper of their wisdom.

Some people make the sky more beautiful to gaze upon. They stay in our hearts for awhile, leave footprints in our hearts and we are never ever the same.
