Save the Best For Last

1999 

Save The Best For Last!

Many themes were discussed at the beginning of the year, but in the end the Valley Green staff unanimously voted to entitle our yearbook, "Save the Best for Last." Throughout the book we have tried to include various retrospectives to honor PV of the past. Even though the times have changed and influenced our clubs, sports, fashion, and activities, PV has always remained the "Home of the Hornets." This yearbook is more than just a history of the Class of '99; we would also like this yearbook to be looked upon as a symbol of PV in the twentieth century. The theme not only represents the class, but recognizes the foundation built by the Passaic Valley graduates of the past who have enabled the Class of 1999 to truly be the best.

Sincerely,
The Valley Green editors and staff

Each year the yearbook is dedicated to someone to show appreciation and gratitude for the help and guidance he/she has given to the class. However, this year the Class of '99 has decided to break tradition. With the new millennium just around the corner, the class of 1999 feels it is important to honor Passaic Valley in the 20th century. The last class of the 20th century would like to dedicate this yearbook to Passaic Valley of the past and to all of the graduates who preceded the class of '99.

Passaic Valley High School opened its doors to the residents of the Regional District in September of 1940. Since this time, the halls of P.V. have seen thousands of new faces and styles throughout the years. Clubs, programs, teachers, and traditions have come and gone. Were you here when Valley Varieties was the most popular event of the school year? Where were you when donkeys were actually allowed on the gym floor? Were you a Jr. Policeman, a hall monitor, or a majorette? Who actually wore ankle length cheer-leading skirts? Was Mr. Kuzoria your yearbook advisor?

Some individuals remember these times; yet, others do not. However, many aspects of Passaic Valley have remained unchanged and ever-present. The school colors of kelly green and white were established in 1940. And, in the same year, Passaic Valley athletic teams became known as the Hornets, after the Green Hornet, a popular radio program. As time passes Passaic Valley will continue to grow and change; however, the Alma Mater, written by Clifford Swisher in 1940, will always stay the same, for it is in the heart of every Hornet.

Although they may be overlooked, the faculty at Passaic Valley deserves a great deal of thanks for their dedication to the advancement of each student's academic success. Many of Passaic Valley's staff members have been teaching for up to thirty years. The impact that these teachers have had on our lives is one which will always be remembered. Through their guidance, wisdom, and encouragement, our characters are being shaped into the people we will soon become in the future. At times it may seem difficult to understand why there is so much work to be done or why our lockers may be completely empty, but in the end, we realize that our hard work will pay off, and, believe it or not, we may even thank those same teachers down the road. As students, we look beyond the title of "teacher" and understand that not only can they be considered educators, but also friends and confidants. By participating in the many activities offered for the staff and by attending the various sporting events held at Passaic Valley, the teachers show off their school spirit. Although we may take the significance of our teachers for granted right now, eventually we will realize how influential they have been throughout the years and will fully appreciate everything they have done for us.

FACULTY & STAFF

The Best Is Yet To Come

Mr. Neil Aharra has dedicated 40 years to teaching Science at Passaic Valley. He was also an assistant football coach for 28 years and an assistant wrestling coach for 18 years. Mr. Aharra plans to work on his house, hunt, fish, and relax after his retirement. The Class of '99 wishes him the best of luck in his future.

Mrs. Patricia Beyer has been a teacher in both Foreign Language and English Departments at Passaic Valley for 31 years. For the next three years, Mrs. Beyer will be a stay at home mom then re-enter the work force. She plans to read a 1,000 books, join the PTA, do volunteer work, learn to cook, and take a dance class. She will miss her colleagues, PV students, and teaching poetry. Her energy and passion for literature will be missed at Passaic Valley.

Dr. Louis Centolanza, Ed. D., Superintendent

On behalf of the Passaic Valley School Community, I would like to congratulate the graduating Class of 1999. Without a doubt, your theme of "Saving the Best for Last" is truly the case! As the last graduating class of the Twentieth-Century, you definitely are the best!

Best wishes in your future endeavors.

Respectfully,

Making The Best Of Their Years

How do students make
the best of their years?
It goes far beyond the
classroom, my dears.
There's papers,
studying, and
homework galore,
Varied activities for all to
explore ...
New people to meet,
Rivals to beat,
Lessons to learn,
Goals that one years.

Student life isn't
complete
Without siblings at one's
feet.
Underclassmen
everywhere
Wondering why life isn't
fair.
Seniors looking back on
their years
Their eyes brimming full
with tears.
Wondering where their
time has gone,
Now that it is time to
move on.
Leaving their legacy
behind,
Hoping that others will
find
That the class of '99
stifled their fears,
And made the best of
their high school
years!

Best Friends Until The End

An Athlete's Prayer

It was right before the big one and the football player said, "Excuse me guys for just a sec while I go bow my head." And in the quiet of that room The football player prayed, "Oh God if nothing hear me now I know that fate is made. "

"So help us Lord to win this game,
It's the big one, man, you see,
If we lose this game that's it for us,
Please do this, Lord, for me."

And as his body knelt in prayer,
He looked up to the sky,
"And while I'm here, and have some time,
I need to ask you why?"

"They say you never help teams win,
Just do it once I pray,
We will pay you back in kinder deeds
Or in another way. "

"The reason I can't help you win,"
The Lord just then replied,
"Is as you're asking me to win,
So is the other side."

I'm everybody's father and
I must not take one side,
So games are played all on your own
Or they would all be tied. "

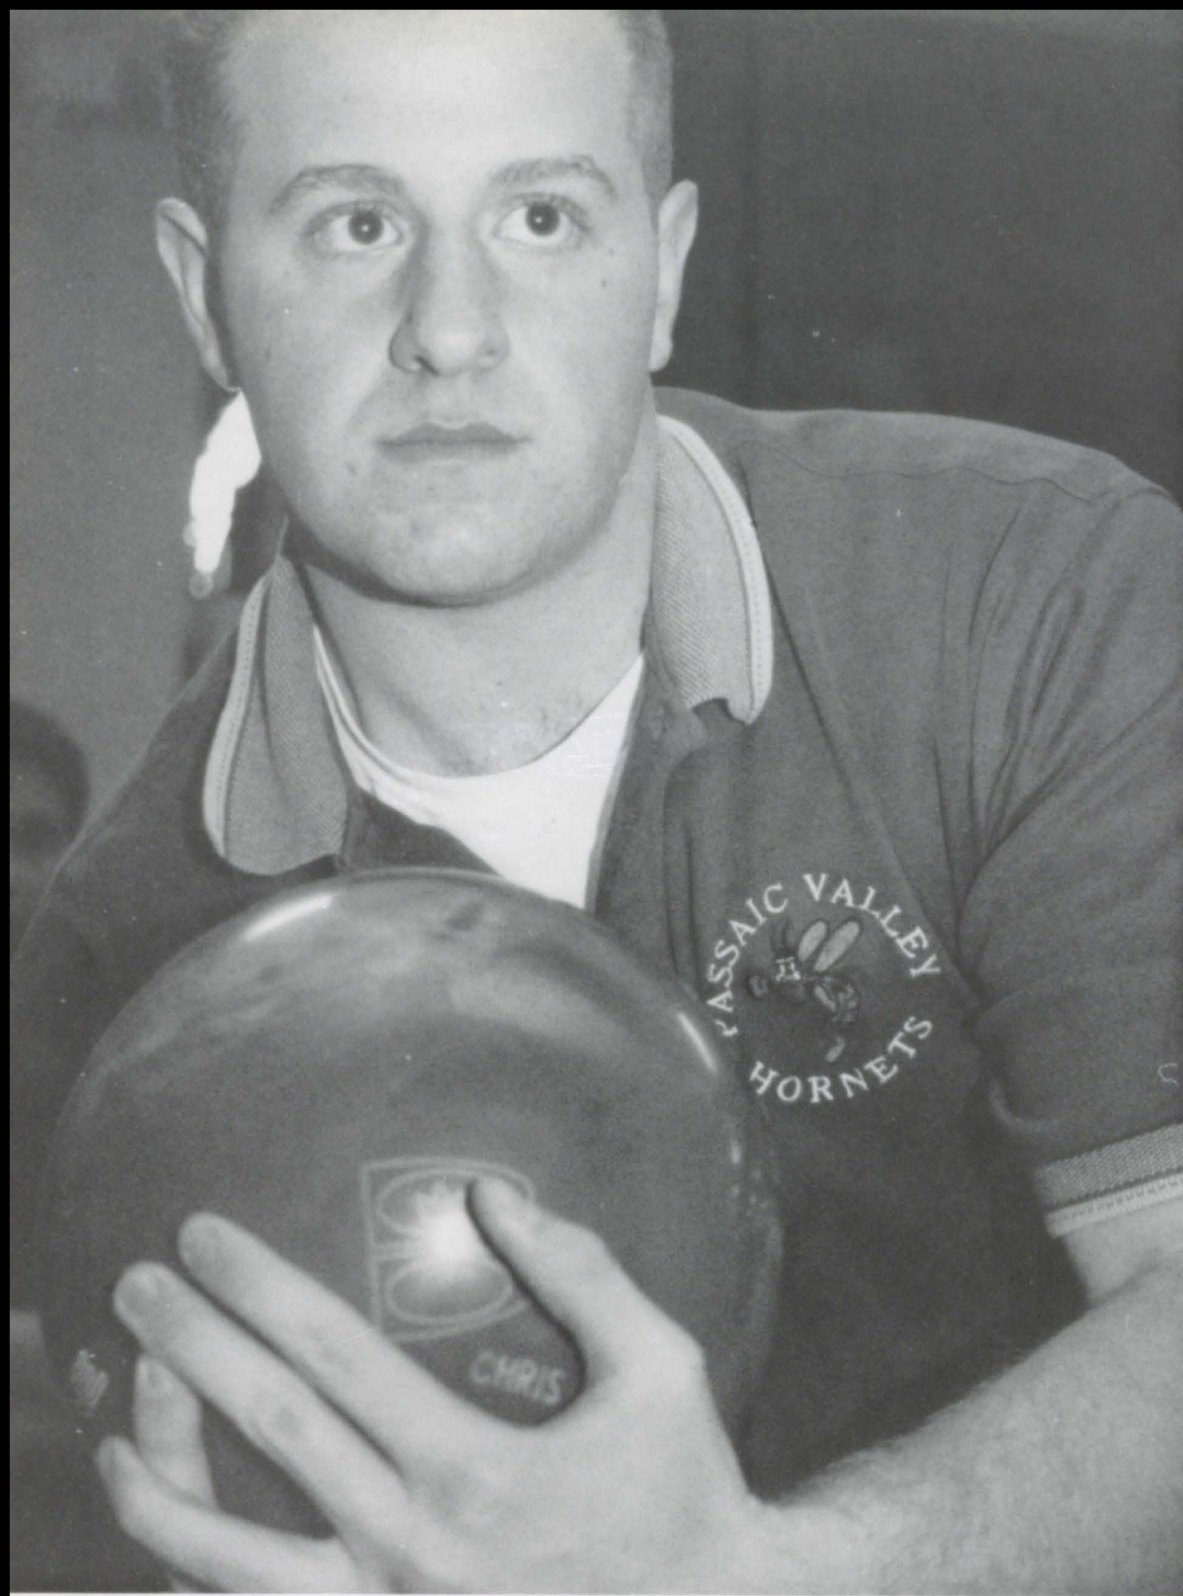

"But that doesn't mean you shouldn't pray,"
He answered him with care,
"You can pray that players don't get hurt,
And that all the calls are fair."

"And then I won't just watch the game,"
I'll bless it with my care,
Because dear son you need to learn
That life's not always fair. "

And while the player heard this voice,
He bowed his head in prayer,
"I pray for fairness," said the boy
"And for your tender care. "

"You shall be blessed," the Lord replied,
"Your team and you the same,
And now will you excuse me boy,
I cannot miss this game."

The 1998 Hornet Field Hockey Team had a great season. The team was lead by Coach Cheryl Hergert with the help of Captains Melissa Ciongoli and Christina Miraglia. The team performed excellently out on the field. They always fought hard for the win and never gave up. The team made a tremendous improvement from last year. The Hornets came a long way and have improved their skills greatly. Although the girls did not have a winning season, they created close friendships and always had a great time together. This year an outstanding amount of girls came out for the team. They created a new Freshman team and an outstanding Junior Varsity team. Coach Hergert has high expectations for next year and the girls have all the talent and skill they need to have a successful season.

THE LAST STRETCH

1998's fall season introduced PV's youngest Boys' Cross-Country team. However, youth was not an obstacle but an asset. Losing three top runners, the Hornets were faced with what seemed to be an insurmountable task. Their vibrance jolted the Hornets to a 15-2 dual meet record. The Hornets were top contenders in the county and the conference. Their youth and determination led them to finish second in the county, third in the conference, and third in the State Sectionals, allowing them to qualify for the State Meet. Led by captains, Senior Michael Rodriguez and

Junior Brian Miller, not to mention county, conference, and state sectional champ Andres Cordero, the Hornets delivered a memorable season. What really made the Hornets such a formidable opponent was balance. The Hornets had the fortune of having youth, talent, and experience. Key runners included Senior Mike Gambatese, Junior Chris King, Sophomores Joe Polifonte, Mike Piccirillo, and Allen Soohoo.

In the same fashion, a young Girls' team completed another successful season. The Hornets were led by Senior captain Kristin Scarnaty and Junior captain Katie Poremba. With the return of Senior Ore Ogunyemi and Sophomore Sara Nowen, and with the new additions of Freshmen Crystal Cordero and Ruby Rodriguez, the Lady Hornets propelled themselves to a 13-5 dual meet record. Their youth and talent were pivotal to their success in the post-season, as they finished fourth in the county.

Both teams used youth to their advantage instead of turning it into a flaw. The Boys' and Girls' Cross-Country teams were reaching for the sky all season long, making the 1998 Cross-Country season unforgettable.

The Mighty Seniors!

Captains Wendy Cook and Carrie Van Way

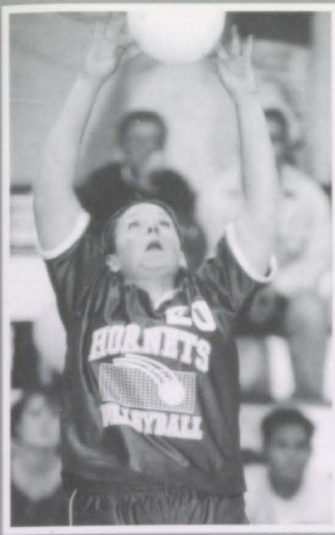

The 1998 Girls Volleyball team accomplished more this season than was ever expected of them including winning the Bloomfield Tournament, and beating their rivals the Lakeland Lancers, and for the first time in 13 years. The team, consisting of 7 Seniors, 5 Juniors and 1 Sophomore, proved their devotion for the sport, concluding their season with a 18-7 record. Senior Captain Carrie Van Way led the team with monstrous blocks and killer spikes. Carrie also led the county with the most blocks and has become the PV career leader with 156 blocks. Senior Captain Wendy Cook played a consistent all around game, providing the team with numerous digs back row and strong hits from the outside position. Senior Krista Voorhis, the teams' setter, set up to 79 balls a game leading to her total of 171 assists for the season. Krista was also nominated as a runner up to the Record's Athlete of the Week. Senior Katie Gourley was one of the leading servers for the team with a total of 93 service points throughout the season. She also provided the team with sneaky quick sets over the net to offset the opponents. Junior Yasmin Shueib was the teams' second blocker at the net who provided many game deciding blocks. Junior Jen Balady and Junior Tara Trovato proved their devotion to the team by their consistent back row play and strong hits. Jen also had a killer line drive serve that was often unplayable by the opposing team. Everyone on the team mentioned or not was a great asset to the team, as they finished in a 2nd place tie for the title of Conference champs. When the county tournament came around, the 6th ranked Hornets proved they should have been ranked #1 by making it to the county finals. Despite the loss, this game was named the match of the year by the Star Ledger, and led the team to being ranked #18 in the state. Through the ups and downs of the season Coach Humes continued to show his dedication to the team by pushing the Hornets to perform to their utmost capabilities. At the end of the year he was given the honor of being named Coach of the Year by the Star Ledger.

Dedication and Determination are the two words that best describe the 1998-99 Passaic Valley High School Marching Band. Beginning with a "Get to Know Us" program in June and a rigorous 5 day Band camp in August, the Marching Band was prepared to surpass its achievements from last season. With the occasional "not so much fun" 3 hour practice, three times a week, the Band improved and proved to the fans that the Passaic Valley H.S. Marching Band was back ... with a vengeance. Their show this year was selections from Disney's *The Hunchback of Notre Dame*, including: "Hell's Bells", "Topsy Turvy", "God Help the Outcasts," and "Hell's Bells Reprise." Besides playing football games, the band also participated in 5 local and regional competitions, including the 3rd Annual Passaic Valley Competition. The band came out on top in some of these competitions, but the real challenge was yet to come. On October 31, Halloween, the band performed their show at the U.S.S.B.A. Championships Competition in Giants Stadium. With a flood of happy tears and screams of excitement, the band was recognized with an award for 2nd place out of ten other bands which now ranks the P.V. Marching Band in the top ten of those who compete within the U.S.S.B.A. league. Dedication and Determination definitely paid off! Congratulations Passaic Valley Marching Band on a terrific season!

The 1998-99 Varsity Cheering season began during the month of July with record breaking heat and the girls attending a four day Cheering Camp at Rutgers University, Livingston.

UCA Cheering Camp was grueling, waking up at 6:00 am and working out until 10:30 pm. There was very little time to be bored. The effort put in by the squad was worth it. They walked away with 5 superior ribbons, 4 excellent ribbons, and 3rd place in the final camp competition for cheer.

With new uniforms, the football season exemplified *The Thrill of Victory* and the *Agony of Defeat*. The cheerleaders always remained devoted to the team and the fans.

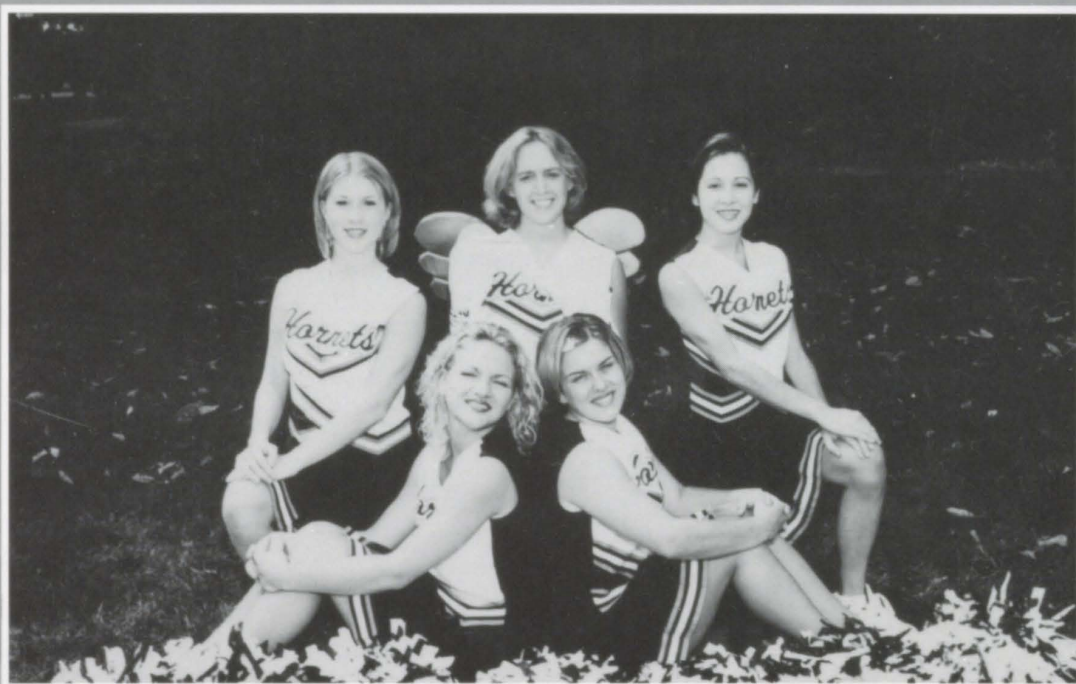

Participating in the Friday evening dinners with the football team kicked off the weekends, leading into breakfast with Mrs. Murray, and all culminating with a victory party.

The annual regional dance competition at West Milford High School brought many unexpected fans to support the squad. The Hornet Cheerleaders did not let their fans down, they placed first in the Dance category, the first time for PV.

As football season ended, basketball season began and new additions to the squad gave it a rejuvenated enthusiasm.

There was a lot of mystery surrounding the 1998 Passaic Valley Football team. Head Coach Chet Parlavecchio had a veteran team, and it's goals were very simple: win football games. The Passaic Valley Hornets started the season advancing a style of football as old as the game itself. The team used fundamentals that hold true to the very essence of the sport. While others tried thrills and finesse the Hornets won with well crafted strategies and no non-sense power on both sides of the scrimmage line.

The Hornets enjoyed a successful season going 7-3, with an overall record of 33-8 through four years. The gritty Hornets experienced some thrilling victories and tough defeats resulting in making the playoffs for the third time in four years. By the end of the season the Hornets proved champions are not always the fastest or flashiest, but are those who hold true to the basics of the game: strength, endurance, and character.

The 1998 Girls' Soccer team completed a successful season due to hard work and dedication. With their new Head Varsity Coach, Mr. Rich Porfido, the Hornets had a rebuilding season. Beginning in August, the Lady Hornets worked hard to complete a successful season. Despite their sub.500 record, the girls tried their best to achieve their goals. The team improved their skills with each game they played. With their strong coaching staff and skilled Junior Varsity players, the Girls' Soccer team looks forward to a bright and successful future.

The Girls' Tennis team had an impressive season under the direction of Coach Vu Phan and the leadership of senior captain Jaclyn Janesk, and seniors Rasha Batarseh, and Simi Jagtiani. Although, not evident in their record of 6-12, the Hornets made vast improvements against opposing teams, and earned the respect of coaches around the league. Hard work, dedication, and determination are the team's motto. The girls can be seen daily, even on Sundays, at Rose Place Courts. Their hard work proved prosperous in the County Tournament where the Hornets placed fourth overall. Senior Jaclyn Janesk and junior partner Cathy Pushchak advanced to the semi-finals. But, the junior newcomer Lara Arnaout surprised everyone when she won the first singles crown. The hornets look to the future with hope and high expectations.

This year's Lady Hornets were clearly an unstoppable group for the 1998-99 season. First year coach for the Lady Hornets, Coach Bill Humes seemed to give the team its missing link, along with the help of assistant coaches, Sergio Rodriguez and Cheryl Hergert. With Seniors Carrie Vanway, Kathleen Berthold, and Cindi Leech and Juniors Jenny Balady, Mary Nesnay, Tara Trovato, and Erin McNeill there was no game out of reach for the Hornets. Sophomore sensations, Stephanie Leporini and Diane Bolchune, also contributed to the team's accomplishments during the season. The Lady Hornets came by surprise with a win over Bloomfield Tech early in the season during the Christmas Tournament to trigger off an incredible start. The team also had a tremendous victory over Clifford Scott, who finished first in their league. The Lady Hornets had not beaten the Scotties in many of the past seasons. The team's hard work and dedication in the pre-season and at summer camp resulted in an outstanding record of 16-7. The Lady Hornets finished their season on March 3 playing against top ranked Pascack Valley in a state match up. The Hornets unfortunately lost, but with a respectable score of 43-36.

The Hornets trained hard all season with the hopes of improving upon their personal best race times. The boys team was lead by Seniors Andres Cordero and Eric Lightner. Other supporting runners included Juniors Chris King and Brian Miller, and Sophomores Mike Piccirillo, Allen Soohoo, and Kevin Brandell. At the County Meet, three of the runners earned top honors. Andres Cordero was named First Team All-County and Mike Piccirillo and Brian Miller achieved Honorable Mention All-County.

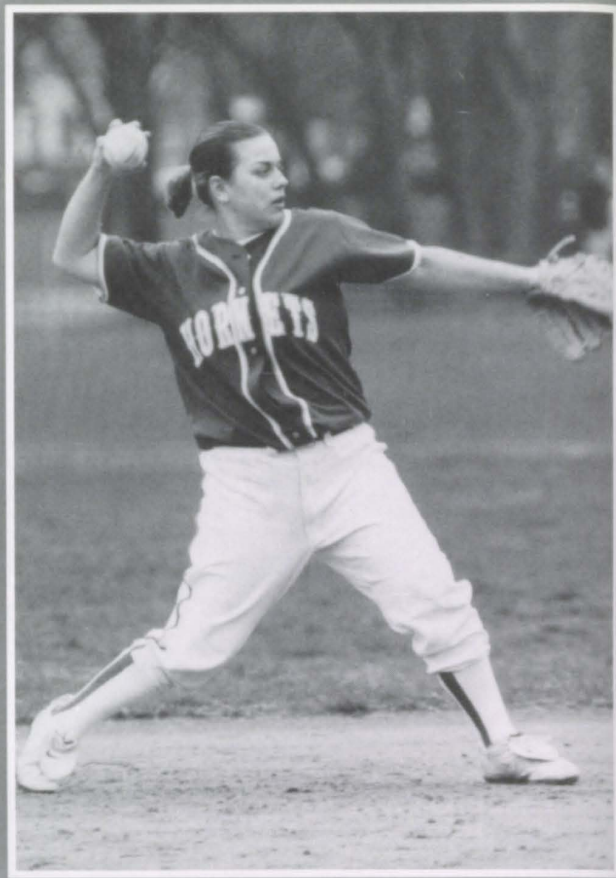

The girls' team also worked hard all season led by Senior Rasha Batarseh. Other members included Juniors Ginger Serifovic, Lara Batarseh, and Nita Patel, Sophomores Kelly Billig and Kelly Wenz, and Freshman sensation Crystal Cordero. With their determination they contributed to making this season phenomenal.

The 1999 Boys' and Girls' track teams look forward to completing another successful season and are off to a strong start. The Boys' team, which is led by head coach Mr. Angelo DeSalvo, hopes to continue its winning ways this season with strong leadership from Seniors Eric Lightner, Josh Gregory, Andres Cordero, Chris Porta, John Moncato, Mike Rodriguez, Keun Soo Kwon, and Ryan Reddin. Other key runners include Juniors Brian Miller, Mike Jasnic, Chris King, Sophomores Allen Soohoo, Tom Yutko, Mike Piccirillo, and Mike DeSimone. Despite losing several star runners from last year's team, the 1999 Hornets are determined to complete another remarkable season.

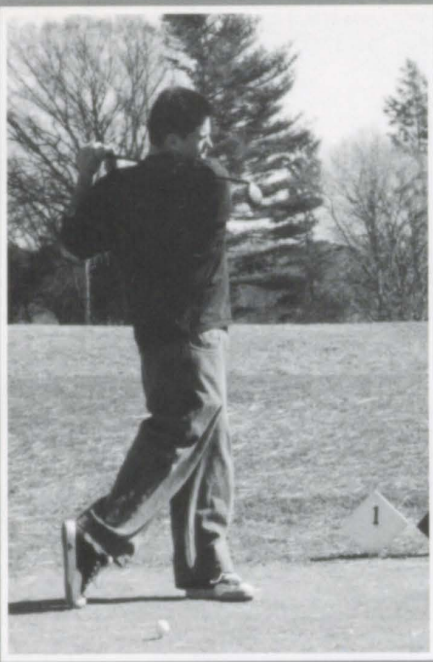

The 1999 Girls' track team, which is under the direction of first year head coach Mr. Rory Fitzgerald, hopes to make a run for the Northern Hill Conference title. Led by seniors Carrie Van Way, Tina Erlewein, Hykeemah Arrick, and Janel Turrin, the Lady Hornets stand as a formidable opponent. Kelly Billig and freshman sensation Crystal Cordero lead the distance team, while Desiree Alexander brings up the rear by throwing shotput and discus. Other runners include Nicole Okragly, Allyson Rowens, Lara Batarseh, Melissa Spencer, Nita Patel, and Kelli Laurice. Although the Girls Track team is young, they are full of talent and determination. These two essential qualities could help lead them to a successful season.

Put Your Best Foot Forward!

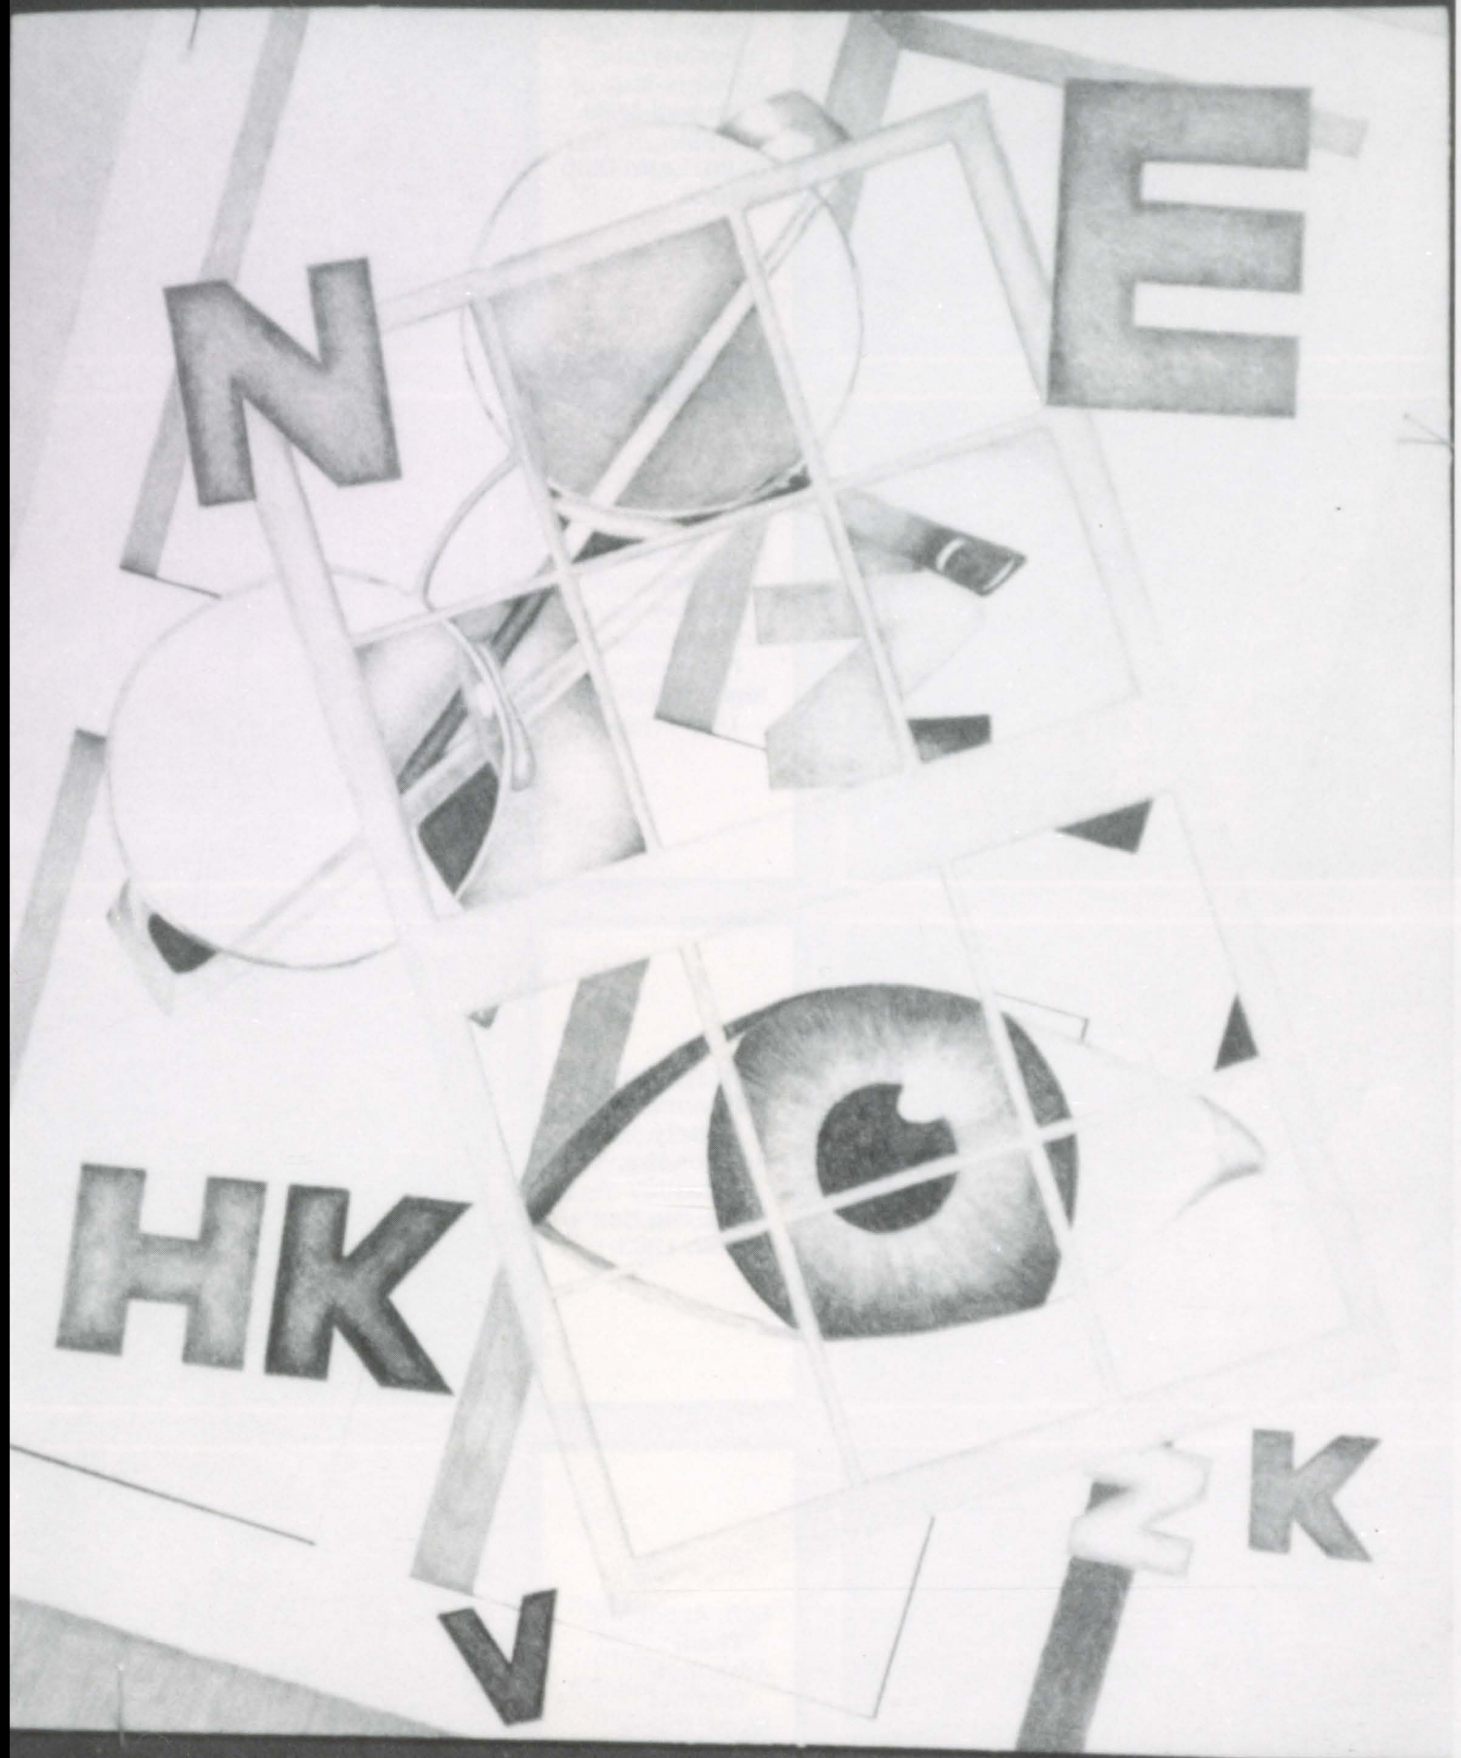

By Jaclyn Janesk

Most students realize that high school is more than just books, homework, and tests. One of the most important aspects of a teenager's life is his/her friends. One way to meet friends is through extra-curricular involvement. Here at Passaic Valley there are numerous clubs and activities which everyone can enjoy. There is a club for everyone, whether it be for the athletic, the socially conscious, the dramatic, or the creative at heart.

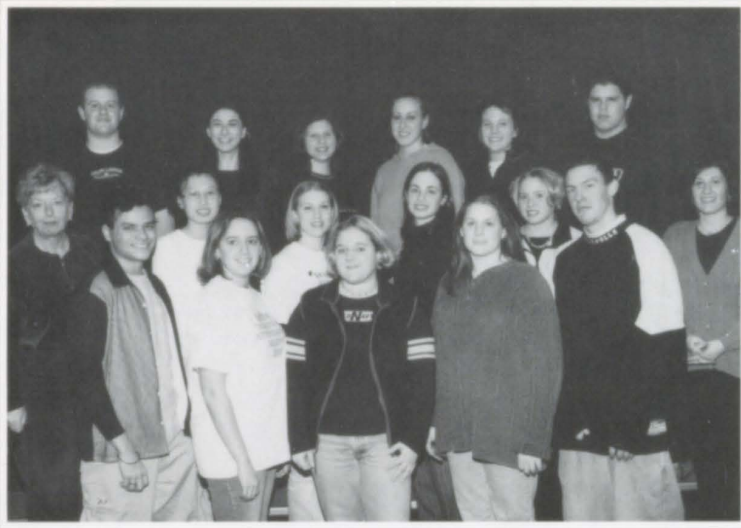

Chances are, if you're in one club, you're in ten! Just by flipping through the clubs section, one can tell who are the leaders of Passaic Valley. These students do not sit back and watch their high school years go by. No, they play an active role in their lives, and the lives of those in the community and at Passaic Valley.

High school is intended to be a time when students realize who they are and what direction they may take in life. A teenager cannot be prepared for life without the enrichment one receives from taking an active role in their surroundings. Clubs provide guidance and support, as well as a chance to have fun and, at times, change the world for the better. Some clubs have a greater purpose than others, but, in the grand scheme, it does not matter what club one belongs to, as long as he/she *puts their best foot forward* and joins! Just remember ... these are the best four years of our lives let's make the most of them!

RUMORS

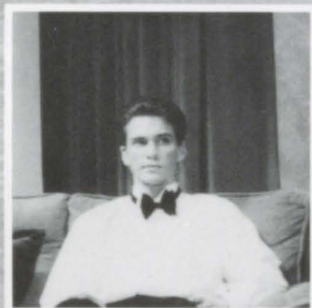

-a farce by Neil Simon

This year's fall play, *Rumors*, was performed on November 19th and 20th in the Schneider Auditorium. *Rumors* is a comedy about four couples who are invited to attend the tenth wedding anniversary party of their good friends, Charley and Myra Brock. When the first couple arrives at the Brock household, they discover that Charley has been shot and Myra is missing. The remainder of this play is spent as the four couples, each with his/her own peculiar quirk, keep secrets and spread rumors while they try to figure out who shot Charley, why he was shot, and to where Myra disappeared.

Amidst chronic back spasms, burnt fingers, a case of whiplash, crystal obsessions, partial deafness, chain smoking, a swollen lip, and suspected affairs, these four couples, when visited by the cops, are able to outsmart the police, save their reputations, and solve the mystery of Charley Brock.

The Best Of The Holidays

This holiday season highlighted those involved in the performing arts. The Concert Band, Jazz Band, and Concert Choir joined to create a joyous celebration in P.V.'s annual Holiday Concert. The music heard in the halls represented the magic of Christmas and the joy of Chanukah. The P.V Drama Club also brought much happiness, but to the eyes of the young children as they performed "The Baddest Angel Band!". Filled with laughs and tears, the children learned the true meaning of Christmas. This holiday season was a true success!

Girls' Show 1999 was performed on Friday, February 26, in the Griswold Gymnasium for enthusiastic green and white fans. After months of hard work and dedication, the girls made the night a complete success. Winners of the night were: green posters, relays, dance and cheering; white cageball and exercise. We would like to thank Mrs. Murray, the advisors, the president Alison Kildow, the green and white chiefs, and all the committee heads for making Girls' Show 1999 a memorable event. What a great way to end the millennium!

The Last Word

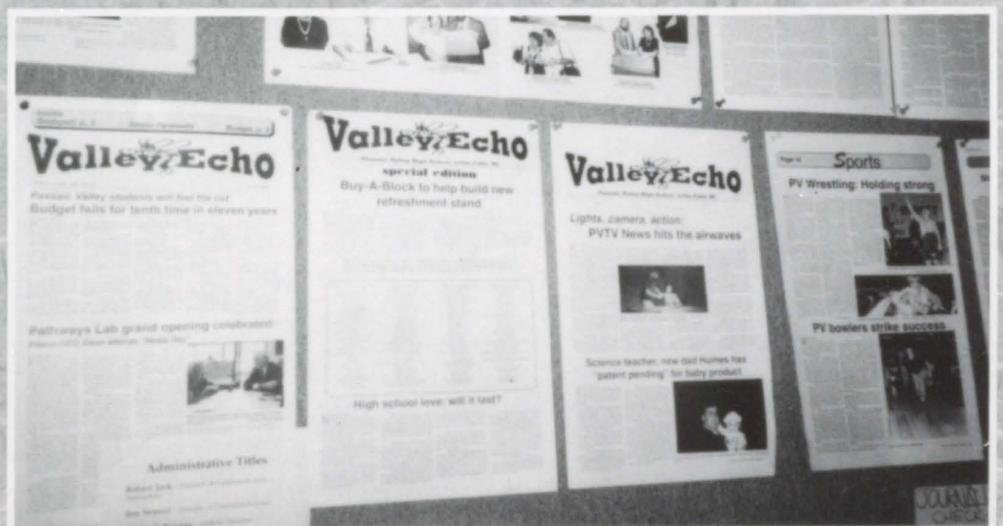

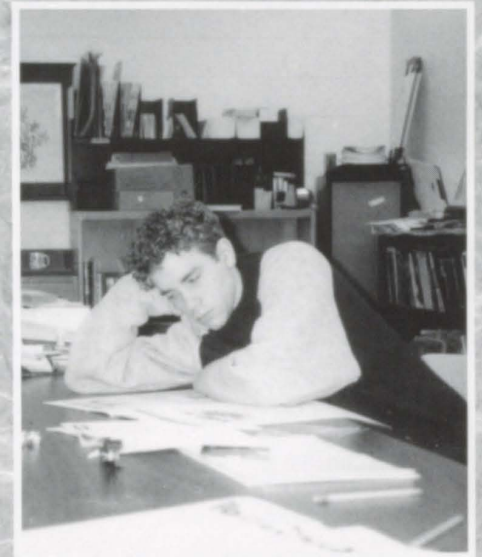

Each year the journalism class produces the school newspaper, the Valley Echo. With the help of advisor Mrs. Maria Pedalino, the students perfect their writing skills, learn how to conduct an interview, and lay-out the paper with computer graphics and programs. For the past two years, the Valley Echo has been produced entirely on computer. A lot of work goes into producing the final copy of the newspaper, and the class works diligently throughout the year to produce at least four of these final editions. Hats off to the staff and advisor!

Saving The Memories ...

Valley Green

Savoring The Past

by Jaclyn Janesk & Gina Capano

Many of the wonderful memories etched in our minds evolved during our childhood years, whether they were from television, fashion, toys, or music. Our youngest years were spent during the 80s', and we endured adolescence in the 90s. It was a time when we faithfully watched Romper Room and always screamed when we heard PeeWee's word of the day. Dylan was deciding between Kelly & Brenda while we were preparing for our first date. While a part of these decades are but a blur, there are some memories that will remain with us for eternity. Do you remember when ...

New Kids on the Block were one of our all-time favorite groups. We can still remember the words to "Step by Step" and recall all of our New Kids memorabilia from bed sheets to trading cards.

"Thriller" was, and, probably still is, one of our all-time favorite videos.

We wore banana clips and slap on wrist bands.

We loved fluorescent wigwam socks, wore spandex pants, tied our shirts in knots, had crimped hair, and got a thrill out of puff painting our own shirts.

We owned Cabbage Patch Dolls and knew the signature of Xavier Roberts quite well.

We knew what Willis was "talkin'bout. We know the wise definition of "Wax on, Wax off."

It was upsetting when He-man and She-ra, Princess of Power were canceled, but we let their legend live on by saving the world with our superhero statues and action figures.

To this day, we can recite the words to all the episodes of Full House and Saved by the Bell.

We have seen at least 10 episodes of Fraggle Rock and always wanted to take a ride with a doozer.

We hold a special place in our hearts for "Back to the Future."

We can name at least 3 members of the brat pack.

We wanted to be a Goonie. ("Goonies never say die.")

We wore Zcaverichies with IOU shirts form Merry-Go-Round.

We listened in awe to the Matchboxman, but never could decipher his words.

We remember Madonna in her cone stage, but still wanted to be a material girl.

We knew "The Artist" when he was formerly known as "Prince."

The runningman was cool.

We never could figure out why smurfette was the only female smurf

ATARI was a state of the art video game system.

We know all the lyrics to "Ice Ice Baby."

We can still sing the rap to "The Fresh Prince of Bel Air."

90210 was our favorite zip code.

We own cassettes

We were led to believe that in the year 2000 we would be living on the moon.

We were scared of the movie Poltergeist.

In the winter, we never left the house without our freezy freakies.

We used lunchboxes decorated with My Little Ponies or the Gremlins.

Colorforms & Shrinky Dinks were the newest thing.

The Care Bears, Pin Wheel, Double Dare, Sesame Street, and Zoobilee Zoo were some of our favorite television shows.

Kris Kross always made us wanna "Jump, Jump"

We had a Swatch Watch

We had Wonder Woman or Superman underoos.

Our Halloween costumes consisted of plastic clothes with a mask attached by a string to match.

We thought that Transformers were more than meets the eye.

The Teenage Mutant Ninja Turtles were our favorite "heros in a half shell."

We thought that all "Girls Just Wanna Have Fun."

Partying "like it's 1999" seemed SO far away!

We Still Have A Lot To Learn

As babies we were fed the seeds from which our growth began. We were guided by our parents and from them we learned the important things: how to walk, how to talk, and how to sing the alphabet song. We were constantly being watched over. We were told what to eat, where to go, and what to watch. Life was good; no problems, no worries.

Once school began and we became a little older we were introduced to new experiences. We spent our lunchtime on the playground and treasured every field trip. Our biggest worry was whether or not we would have a pop quiz on those multiplication tables ...

It was hard to adjust to spending five days a week in a school with people we did not know very well. In time, however, these strangers became our friends. Friends who we would laugh with, cry with, and consistently learn from. Some of these friendships we will hold onto for eternity.

We thought we knew it all-and then we entered high school. New friendships were made, some old ones were broken. We were scared, and all we wanted was to have lunch with our best friend ...

Now, as graduation approaches, another chapter of our lives has come to a close. It is time to head off to college, to work, to try our best to make it in the real world. We can never forget all that's gotten us where we are today. Sure we have made mistakes, and we will continue to make many more. Nonetheless, the important thing is that we learn from these mistakes. In the past, no matter what happened or what we did, we always knew that those who cared about us were there to love and guide us. We think we do not need that love and guidance, but the time will come when we realize we couldn't have survived without it.

We'll never forget those times on the playground, our third grade math teacher, or our first time behind the wheel. Sooner or later, we'll realize all of our experiences in life have molded us into who we are today. No matter how much we know or think we know, we must always remember that *we still have a lot to learn*.

-Gina Marie Capano

Growing

I'm leaving now to slay the foe-
Fight the battles, high and low,
I'm leaving, Mother, hear me go!
Please wish me luck today.

I've grown my wings, I want to fly,
Seize my victories where they lie.
I'm going, Mom, but please don't dry-
Just let me find my way.

I want to see and touch and hear,
Though there are dangers, there are fears.
I'll smile my smiles and dry my tears-
Please let me speak my say.

I'm off to find my world, my dreams,
Carve my niche, sew my seams,
Remember, as I sail my streams-
I'll love you, all the way.

Brooke Mueller

Life Savers

The Class of 1999 would like to thank our class advisors, Ms. Intili and Mrs. Konzelmann, for everything they have done to make our four years at Passaic Valley the best four years of our lives. Now as we graduate, we want to let them know that their helpfulness and dedication is appreciated. Thank-you.

In September '95 as freshmen you entered the halls of Passaic Valley. Like most new comers, you were anxious and confused but you were an amazingly energetic group. You were the Class of '99! You began a four year journey ... sharing lockers, taking test after test, attending sports' events and dances. Hopefully, the friendships and memories that were made over these years will last you a lifetime.

We will remember the fun times. We want to thank you for your hard work and cooperation. It is the end of a century but a new beginning for you. We wish each of you unlimited success and happiness. All of your hard work and dedication will shine on Graduation Day we know that PV HAS SAVED THE BEST FOR LAST!

Congratulations and Best Wishes
Ms. A. Intili
Mrs. N. Konzelmann

ADS!

The Last Straightaway ...

The business section of the Valley Green is traditionally the last section of the year-book where local businesses as well as parents, family, and friends wish the graduating class the best of luck, and send the seniors off with their warmest regards. Parents are asked to submit "Letters from Home," which express to the students, the parent's love, pride, and admiration. Parents are also asked to sell "boosters" to family members and friends. These are one line messages which serve as a reminder of memorable experiences and encouragement for the future. Finally, the business section includes "ads" from local businesses. The local merchants pay to have their advertisements in our year-book. This contribution defrays the cost of the year-book, and allows every senior to receive a copy of the Valley Green as a constant reminder of their years here at Passaic Valley.

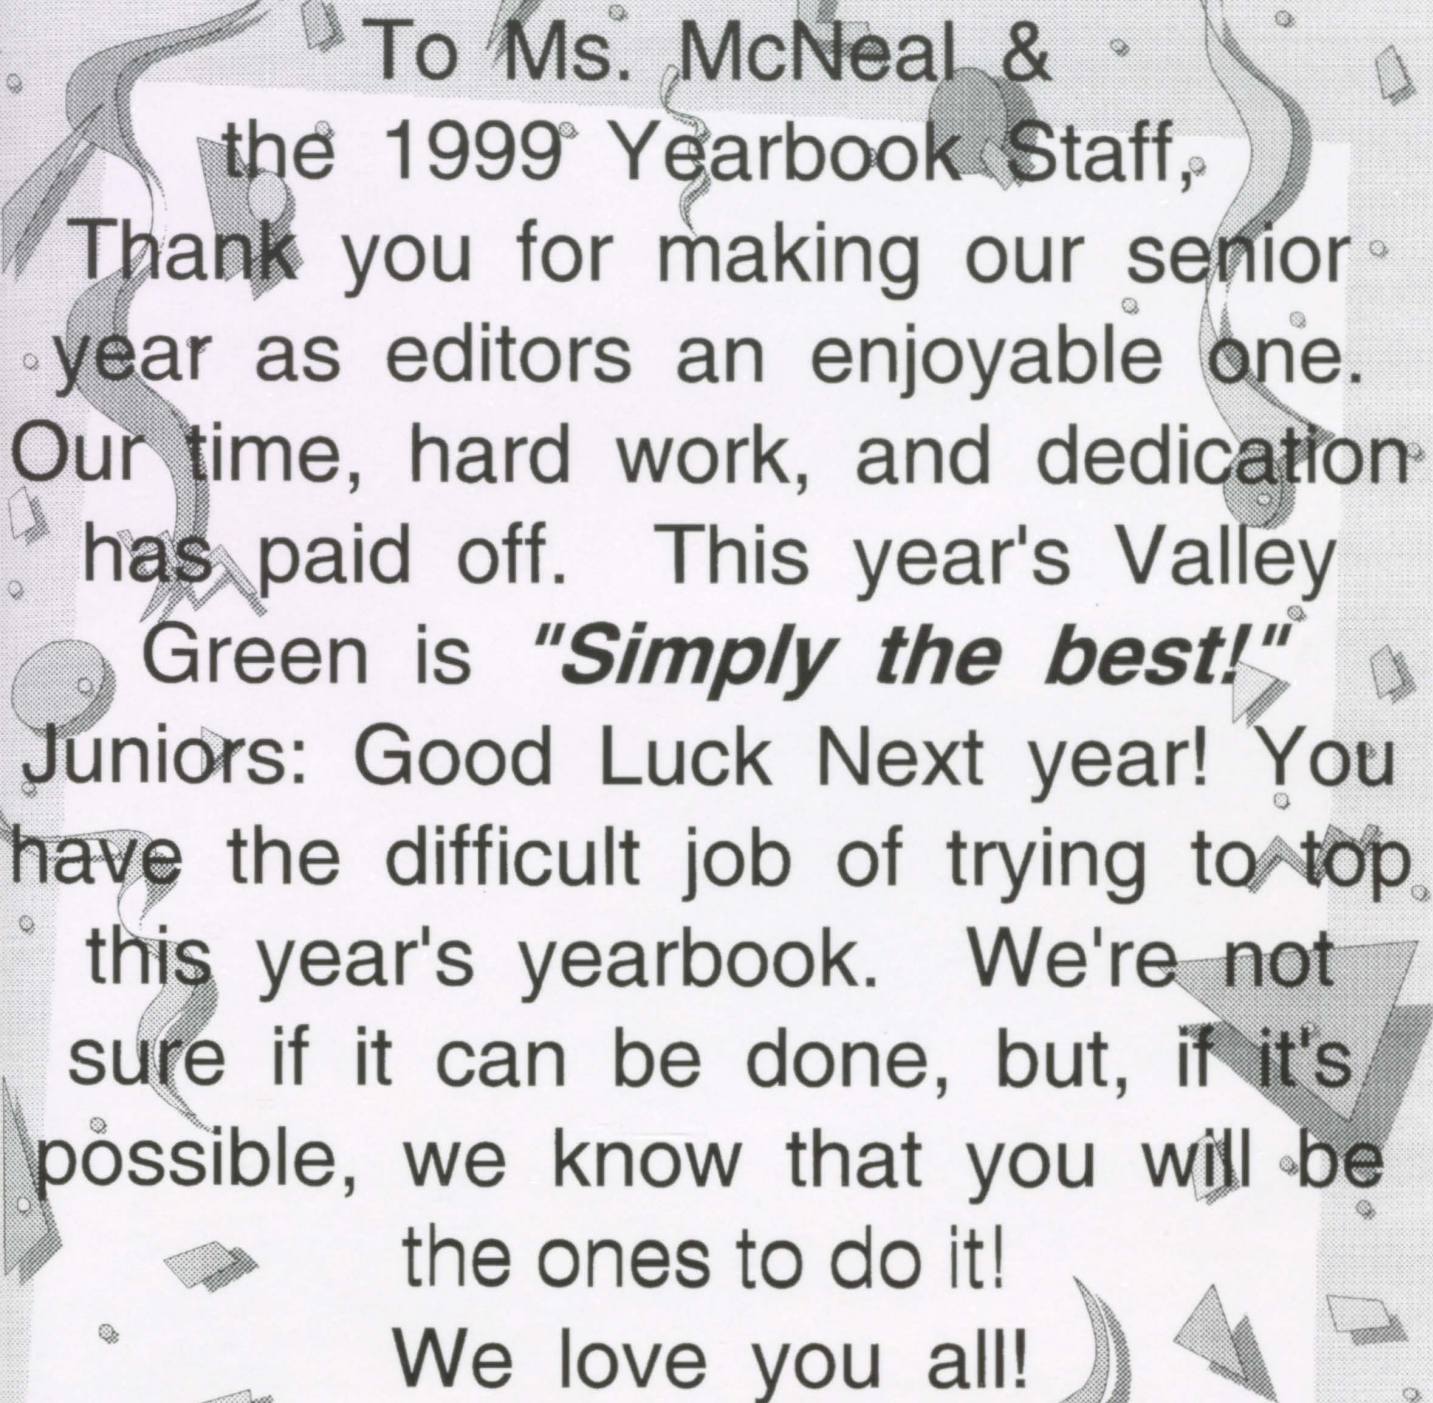

As editor of the business section, I had the opportunity to work with several individuals who helped make this section a success. I would like to thank the local merchants, our parents, family, and friends for their contributions which allowed this section to be completed. I would also like to extend a special thanks to Ken Janesk who spent countless hours designing several of the layouts. Without his help, the ad section would not have been possible.

Few people notice the last few pages of the yearbook when they first receive it; however, in years to come, it is my hope that everyone will come to appreciate this section, and truly recognize the myriad of emotions behind each letter from home, booster, and ad. This section of the Valley Green will serve as the final commemoration of all that our parents, family, and friends have done for us, and in turn a promise of all we hope to achieve as our way of saying thank you.

Sincerely,

Jaclyn Janesk

To Ms. McNeal &
the 1999 Yearbook Staff,
Thank you for making our senior
year as editors an enjoyable one.
Our time, hard work, and dedication
has paid off. This year's Valley
Green is ***"Simply the best!"***
Juniors: Good Luck Next year! You
have the difficult job of trying to top
this year's yearbook. We're not
sure if it can be done, but, if it's
possible, we know that you will be
the ones to do it!
We love you all!

Love,
Your 1999 Valley Green Editors

Home At Last ...

Laura Albert: Your journey through school began in kindergarten and now it is time to graduate from PVHS. Your accomplishments through the years have been astounding! I have taken such pleasure in sharing them with you. Your grace and sophistication have been a source of joy to all who know you. Now as your journey continues into college life you can take my love and pride with you. I will always miss you as you were the one who brightened our home for so long. You know that God loves you and so do I. Gomma XX

Laura Albert: Congratulations! You've worked so hard to achieve this; Your graduation from high school! For 18 years you've pushed yourself to do and get the very best that you could. From swimming and dancing, softball and field hockey, scouts and school work, to cheering and girls show, you always wanted to have fun and enjoy each day. I know that I was hard on you many a time, but it was because I love you and I wanted nothing but the best for you in your life. It's now your turn to take the reins of your life and I hope that you continue to push, work hard and strive to push, work hard and strive for better things. Always remember to be kind, honest and helpful, and no matter where you go in your life, you carry a piece of my heart with you. Love always, Mom and Mark

Laura Albert: I knew from the moment you were born that someone special entered my life. You have given me a great deal of joy, and a lot of wonderful memories. I thank you for being my friend. You have what it takes to go far in life, use your gift wisely. Consider your choices, then plan your actions. Reach for the stars, believe you can fly, always look ahead, and on the occasion you ever need a friend, I'll always be there. I wish you health, happiness, and contentment throughout your life. I love you unconditionally. Stay Green forever. Love, Robbin

Laura Albert: Sitting here to write a paragraph to congratulate you on your graduation brought back 18 years of beautiful memories. There isn't enough paper to write the 18 years of what you have meant to me. First I want to thank my daughter, your mother, for giving you to me and the rest of your family, Grandma, Robbin, Jill, Meg, Mark, and Julie in order of birth. It has been a wonderful 18 years watching you grow and mature to adulthood. Welcome to adulthood. Second, you now have the future of your dreams in your hands. Make them a reality. Keep on course. Keep the compass needle on North. It will sweep west or east at times but I know that you will bring it back to north. Make it a good life, make your mother even prouder of you than she is on this day make your dreams come true. Be what you want to be and be who you are. Love you Forever and a Day. Grandpa - and you.

Bobby Sullivan: Bobby is the son every parent wants. He is very mature for his age; he always was. He knows what is right and what is wrong; he is a good example for his younger brother, and does not let anyone push him in changing his values. He knows that he has someone following his footsteps and his steps have to be the right ones for his sake and his brother's. Bobby is smart, generous, and kind to his family and friends. He is not looking to see

what he can get but what he can give. We are proud to be Bobby's parents; he is very special in our hearts; his father and I are very proud of him. Like other young men his age, Bobby is difficult to deal with at times, but we know that he is listening to what we say because he eventually does just that. He has grown into a fine young man. In a nutshell, Bobby is someone a person can look up to; he is strong, yet sensitive. He has a good head on his shoulders. He knows what he wants and strives to succeed. He has a great personality. Because of his personality, his friends and family love him. Anyone who knows Bobby can say that he is a great person. WE LOVE BOBBY THIS MUCH: 10-20-30-40-50-60-70-80-90-100

Amanda Taylor: Amanda, We can't believe you've graduated from high school! It seems like only yesterday that you were little brat in nursery school. We always had faith in you and knew that what they had said wasn't true at all. You proved that right away in kindergarten. The little angel you were in grammar school carried right over to the present. We have always been impressed by your accomplishments, from "Most Charming" throughout the years to "The Loveliest Young Lady" you are today. You are the rock that has kept this family intact this past year. Amidst the problems we have had, you and only you have been our strength. We don't think anyone, but a strong-willed, patient, caring and wise woman as yourself could have survived. Your ability to keep up your grades and stay calm at all times has shown us that you will have no problem in college. We will miss you terribly when you go away to school. Don't ever forget how much we truly love you. You are the shining star in this family and we both realize how our lives have been blessed by having you in our lives. Never stop being yourself and in this way, you'll go far. Love always, Mom and Dad

We love you! Mom and Craig.

Krista Voorhis: Krista - Wherever you go, whatever you do, I always will be there for you! Love, Carol

Jeffrey Wagniere: If you spread your goals before you like a rainbow in the sky, no dream you dare to reach for, will ever be too high. Trust in the Lord! Love, your Proud parents and sister

Robert Warholik: We could never express how much you have meant to us. You have always surpassed our expectations. You have shown yourself to be the "TAURUS" that you are. Here is a poem by Roloff that speaks from our hearts. To My Son, You are a constant source of discovery to me, Watching you grow and become your own person with your own ideas about life, your own opinions, wants, and needs has helped me grow, too ... So, my son, go forth into the world - be yourself - laugh, love, live ... dream, aspire, hope ... succeed, fail, reach out ... experience life as only you can And just remember, I'm there for you, through it all. All Our Love, Mom and Dad

Your commitment is inspiring. The pride we feel in seeing you grow into a wonderful young woman brings us such happiness and pride. We know your future will be bright and filled with success. We will always be here for you. Love always, Mom, Dad, Tim and Matthew

Keith Wright: Where do we begin to express how proud we are of the man you have become or how deep our love for you goes? You have always been your own person even as a little boy. You are not afraid to show your emotions which makes you a very special person. Always stay true to yourself, and be proud of who you are. You have achieved many great things in the past 17 years. Your dreams and determination will take you where you want to go in the future. We are always here for you no matter what. Krista....

Your life has been a canvas that we've worked on through the years
It's been filled with love and happiness, and sometimes even tears.

When you were born it was stark white, but I began to catch
What I hoped would come to be your lifetime in a sketch.

I drew the lines to shape your life, and sometimes had to erase
To compensate for mistakes I made, and things we had to face.

The facets of your life became the paints that I would use
To make that canvas all your own, no matter what road you choose.

And as you grew you added to the painting, no longer new
Your talents far exceed my own in everything you do.

Now on to college you will go and new colors will appear
The canvas goes along with you, whether far or near.

The pride and love I have for you will always be the base
Of the painting known as "Krista", and they can never be replaced.

With all our love, faith, and support,
Mom, Craig, and Carol

THE TROUBLE IS NOT TO DIE FOR A FRIEND, BUT TO FIND A FRIEND WORTH DYING FOR.

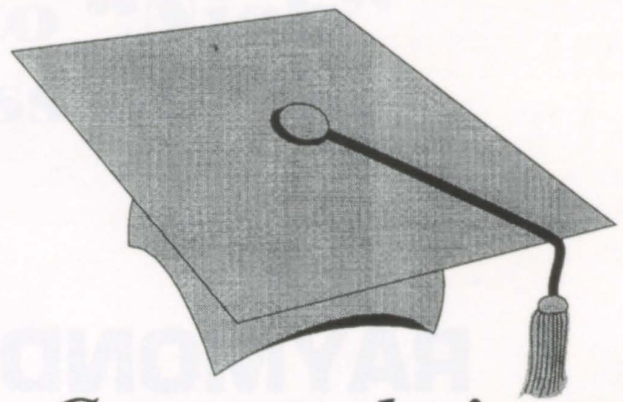

FOREVER FRIENDS

We grew since little girls,
walked hand in hand.
We ventured into high school
to explore a different land.
Together we've built the memories,
the good times and the bad.
Together we built a strong friendship
that no one else has had.
As ten we have become one,
our weaknesses put to rest.
As each one of us felt pain,
the others brought the best.
Together we took away the hardships,
while never grew apart.
A friendship so strong it could never die,
or never leave our hearts.
In the future we will remain as one,
a **Friendship** put to the test.
We haven't failed one yet,
why would we fail the rest.
While one of us cried the others smiled,
and took away the tears.
Such a **Friendship** could never end,
not in a million years!

Best Friends Forever...

You're In My Thoughts Today...

By Paula Finn

I'm thinking of you today and I'm remembering how often you've come through for me when I needed you most—how you've always given so generously of your time, and so freely of yourself.

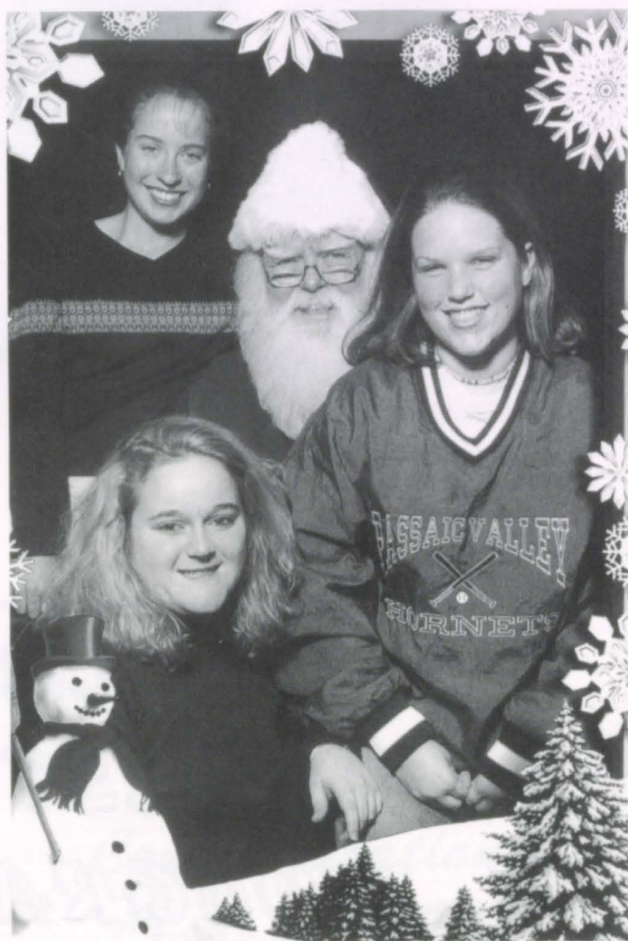

I'm thinking of how easy it is to be with you, how funny things seem even funnier, and ordinary pleasures feel special because they are shared.

I'm thinking how often your belief in me has made the difference between giving up on my dreams, and trying even harder to reach them.

I'm realizing how special you are—and how much richer my life is because you are in it.

So today, I'm thinking of you—of all the good things you've done, all the kind things you've said, and the beautiful things you are.

Jaelyn, Katie, & Michelle

We have such good times together!

We see the same things as funny or absurd, and our tastes are the same in almost everything.

We can talk for hours about things that are most important to us...

We can talk for hours about nothing at all.

We relate as equals. Competition does not exist between us: power is never important but respect always is.

GOOD LUCK JACKIE AT CORNELL! YOU'RE A SUPERSTAR! -JOSEPH
