AUTUMN

FOOTBALL

This year's football team put itself on a level with the finest the school has ever produced. For the first time since entering the N.N.J.I.L. P.V. captured its first unshared title with a league record of 8-0 with only a loss to Clifton (not counted in league standings).

With a new head coach at the helm, Joe Biscaha followed in the fine tradition of Valley football coaches. Biscaha was named Coach of the Year by area newspapers and the New York Daily News.

Heading up this year's fine team were offensive standouts half back Bill Hale who ran up 400 some yards on offense and was a stickout on defense. John Urchak set the team a fire with his punt and kickoff returns.

The only negative point was when Jim Spencer broke his arm in action and unabled him to finish a fine school career. But in the tradition of Valley football they arose to the occasion with Junior Gary Titus stepped in to the N.N.J.I.L. crown.

This season was one that will stay in the minds of everyone who cheered the hornets on to victory, and give inspiration to next year's team to carry on to the fame of the Green and White.

Head Coach — Mr. Biscaha, Ass't. Coaches — Mr. Sisbarro, Mr. Green, Mr. Harding, Mr. Smith, Mr. Pellechia, Mr. McMahon, Mr. Aharrah.

Coaches — Mr. Mazza, Mr. Caruso, Mr. Ariola, Mr. Licisko

This year's Soccer team finished with a 7-6-3 record, a satisfactory record for past squads, but a disappointing season for this year's Mazzamen.

The season began with high expectations but P.V. succumbed to numerous injuries and bad breaks. High points this season was tying rival Hackensack and Valley's first win in the state tournament. The team's offensive captains were Randy Escobar and Todd Radwin, while the defensive captains were Frank Franciosi and Ron DiCola.

Individual achievements went to Randy Escobar, First Team N.N.J.I.L. and All State and County. Ron DiCola, First Team N.N.J.I.L. and County and Joe Zarek, made Honorable Mention on the N.N.J.I.L., County and All State Teams. Next year's team will have 3 returning lettermen, while 13 lettermen who are leaving will be missed.

girlsfieldhockey

This year the Girls Field Hockey team completed its second varsity season. With Autumn came rookie coach Sandra Roberts who worked hard with captains Bonnie Chalmers and Mickey Glita to inject the team with the traditional winning spirit.

As far as records go, theirs was no indication of the effort put forth by the girls. But come next Autumn, the team will not go unrecognized. For this is a team that is bound to climb to the top.

This year's team was young and inexperienced, but with a bright future. The team was too erratic because of inexperience but a lot of good pointers were picked up by the younger members of the squad.

Ray Shatwell had another outstanding year. Ray made All County and All League honors.

Along with Captain Shatwell, Mike Hennie, Jeff Freeman and Ralph Cavallaro are the only lettermen not returning and will be sorely missed.

Mr. Bender and his staff are very optimistic about next year and looking forward to the league championship.

Head Coach — Mr. Bender

Ass't. Coach — Mr. Kiick

This year's team did another fine job as they won the annual Christmas Tournament, finished second in the Coaches Tournament and made a strong third in the N.N.J.I.L. Once again John Gerdy led the team with an area leading average of 26 points per game and was named to the first All County Team and First Team N.N.J.I.L. Mike Suglia made second team All County, second team N.N.J.I.L. and Dan Di Iorio made Honorable Mention All County team.

This year's record 21-6 was one of the finest ever, and the 21 wins were the most in the thirty three year history of the school, and for the first time in nineteen years the team has reached the finals of the New Jersey Group IV Sectional Championship. Coach Di-Simoni and his assistants are to be commended for their fine job. Next year's team will be without six lettermen, but with John Gerdy returning, Valley will try to bring down the N.N.J.I.L. crown.

Jim Gaita (Captain), Dan Di Iorio, Lou Abouyon, Dave DiLella, Bill Hale, Jim Cochran, John Gerdy, Mike Suggia, Skip Brask, Carmen Bastante, Jeff Coleman, John Paradiso, Dan Van Hook, Dan DiLella, Don Fellman,

Coach: Carmine DiSimoni, Ass't Coaches: Bernard Bender, John Wallace, Viktor Joganow.

girlsbasketball

The Girls Varsity Basketball Team was no exception to the fine display of talent exhibited this winter.

After weeks of preparation, the girls came out ready to fight. Their determination became evident when the team fought perhaps the most impressive battle of the season. On January 25, 1974, P.V. upset undefeated Paramus by a score of 39-38.

The team captains Anna Di Salvo and Kim Hamilton, along with second year coach Sue Bridenburg, led the girls to a season that indicates a bright future ahead.

With graduation, the team will lose the four seniors who are the original members of the first Varsity team. But this should not impair the future success of the team. Next year there will be three starting juniors returning who should by all means arouse the spectators.

WRESTLING WRESTLING WRESTLING

Mike Tafuni, Dan Pagano, Jim Bush, Glen Purves, Brian Surage, Ron Di Cola, Peter Campilango, Ben Benvvenuti (Co-Capt), Bob Johnson, Steve Tepper, Bill Kovalczyk, Jim Capizzi, Jim Cafone, John Pinadella, John Vigilante, John Lonsky (Co-Capt), Bill Barlow, John Garcia.

This year's grapplers finished a season that they'll remember for a long time. For the first time in the twelve year history, Mr. McMahon's men compiled an undefeated record, along with the N.N.J.I.L. title under the superb coaching of Dave McMahon and his assistants. The team went on to win the Passaic County Coaches Tournament and finished a close second in the District 8 Tournament.

Individuals high points were the undefeated Bill Kovalczyk and Ben Benvenuti in League matches. Those qualifying for the State Tournament in Princeton were Bill Kovalczyk, John Lon-sky and John Garcia.

A fine job was done and congratulations are in order to Mr. McMahon and everyone involved in wrestling and hopes for another fine season next year.

BOWLING

Bowling is enjoying a growing interest at PV. This year the team won twenty games for the second year in a row. Finishing a strong third in the N.N.J.I.L. race, Mr. DePaul's men showed what long hours of practice can do. Such performances by Steve Drehetz and Rick Tissot made for exciting season. Mr. DePaul is to be congratulated for another job well done.

SPRING

BASEBALL

This year's team is stepping out on the diamond with optimistic hopes to take it all. With five returning lettermen and some new faces, Valley is trying to nail down an N.N.J.I.L. flag. With Captains John Urchak, Mark Todisco and Coach Reaser and staff are looking for pitch depth with Bob Hulme and junior Tom Sokowski. Valley is looking ahead to all comers with enthusiasm and high spirits.

girlsoftball

Talent, strength and good spirit seem to be the factors of a winning team at Passaic Valley. The girls' varsity softball team has all these things and more. Second year captains Bonnie Chalmers and Anna DiSalvo are helping Coach Sandra Roberts form what looks like a strong team with unlimited capabilities. As in previous years, several underclassmen are displaying powerful hit and run potential.

GOLF

This year's team will be getting into the swing of things this April and are ready to tee off. After dedicated practices they are up to par to take on any N.N.J.I.L. challenges. Under Coach Ariola and with seniors Jim Spencer, Steve McCrostie, Joe Zarek and Todd Radwin, PV is looking forward to a big step onward to the fairway of victory.

TENNIS

girlsgymnastics

The Girls' Gymnastics team started off its second year as a varsity team with more than its usual poise and grace. Captains Lea Pellinen and Debbie Smith worked hard with Miss Mingst to get the team in swinging shape. Difficult moves on the horse, uneven bars, balance beam and floor exercise have made the team one of P.V.'s best.

*youth is a beautiful dream, but its sweetness is
enslaved by the dullness of books and its awaken-
ing is a harsh one.
shall there come a day when wise men are able to
unite the dreams of youth and the delights of
learning as reproach brings together hearts in
conflict?
shall there come a day when man's teacher is na-
ture and humanity is his book and life his school?
will that day be?*

IN MEMORY OF BONNIE AMENT AND JOANNE MANZI

Life — so they say
Is but a game and they let it slip away
Love — like the autumn sun
Should be dying but its only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

CHRISTMAS PARTY

Christmas — a time for giving . . . giving a little of what we have and take for granted, and sharing it with those less fortunate. Our rewards? Several smiling faces, and in our hearts a feeling of warmth, we might have never taken the time to notice. We knew they were grateful, but will they ever realize why we thank *them*?
