The question for the Yearbook Staff this year was not what to put in the Valley Green, but what not to put in. There were so many pictures, so many memorable moments, so many images to choose from, and it was very difficult to select those that would be used. This year we tried to include as many students as possible so that our book would appeal to the variety of students who walk these halls. We believe that the hard work of the editors and the rest of the yearbook staff has paid off, and that this book will bring back fond memories to a great many students who have passed through the doors of Passaic Valley.

Sincerely,

The Valley Green Editors and Staff

What's Inside?

Years from now, when the students of today look back on their days at Passaic Valley High School, they will remember the special times pictured in the Valley Green . . . From the excitement of sporting events, the pageantry of the theatre productions, to the daily grind of academic life, the Valley Green will serve to remind our alumni of the memories of the 1996-97 school year.

Taking Pride: The Girls' Cross Country Team takes a moment to advertise their 1996 undefeated season.

"To Thine Own Self Be True" is just one of the many literary words-of-wisdom displayed daily in Mrs. Garofalo's English classes.

At Passaic Valley, education is often extended beyond classroom learning. Students participate in many first hand experiences, such as the band marching in a parade at Universal Studios, Florida during spring break.

Dedication

PAT COUSO

This yearbook is dedicated to the memory of Pat Couso, friend and co-worker. Pat was a graduate of PV and the Accounts Payable Bookkeeper in the Business Office for 21 years.

Pat's joy in life was her cherished family: Sonny, her soul-mate of 38 years; Linda, Lori and Mike, her children; and of course, her pride and joy, her three grandchildren, Brianna, Melanie and Steven.

Bulldogs, 12 o'clock lunches, Neil Diamond at Madison Square Garden, Frank Sinatra, "Wind Beneath My Wings" and "The Checks in the Mail" Memories of Pat that fill our hearts with warmth and laughter.

She taught us how to live.
She taught us how to die!!!

Fondly remembered by,

Her Friends in the Business
Office

Who's The Boss?

The faculty at P.V. has been guiding all of us toward enlightenment for the past four years. Although, it must be said, they have also brought to some of us detention and hopelessly difficult exams, it cannot be said that anyone has not benefited in some way from their tireless efforts. We will all exit this institution greater than we entered. After all, who amongst us can look back upon their freshman year without asking, "How could I have been so stupid?!"

Why is it that we now realize the errors of our ways, but were unable to as freshmen? Quite simply, we have grown since then — mentally, intellectually, morally, socially — we have achieved a higher level of understanding in all of these areas and more. The experiences that have bettered us were shaped by the teachers and administrators that we have met along the way. This was inevitable since we see these faculty members every school day; of course they had an impact on our lives. Due to their influence, we will always remember them. Thanks alot faculty; we are eternally grateful.

Mrs. Ehret demonstrating
the art of cooking.

What's Next?

The faculty members who are retiring this year have served the students of PV long and well. Now that their years of teaching are over, they have found new ways to keep busy. Mrs. Alper will move to Washington state, Ms. Bridenberg works in the computer industry, and Mr. Hoelscher is still mayor of Harrington park. Mr. Verrone continues to design and cast sculptures of Mr. Degroot's paintings, hoping for their big break. We wish them all good luck in the future.

P.V. Family

Where Are They Going?

The senior class of 1997 is leaving PV, and perhaps this will be the section they will look upon most often in the years ahead. For here is presented a pictorial history of that most joyful time, their senior year at Passaic Valley. Here they may look upon images of great friends, zany antics, and happy memories. As they wander through these pages, they will be reminded of their lives in high school, the way they used to look and act, the people and places they cherished, and all the great times in their last year at PV. The following pages are representative of the seniors, and for them, they are a microcosm of the world. These are *their* faces, their friends, their lives. The pictures captured on film are the visions that capture the hearts and minds of all the seniors, now and forever. The thoughts and ideas embodied here will remain with them for all time.

Important as these memories are, this year's seniors still have most of their lives in front of them. They lived it up in PV, but will they be working in an office ten years from now? Who can tell now, but certainly the spirit and energy demonstrated by the senior class offers high hopes for the future. Wherever they choose to go and however they choose to get there, they can always remember the beginning of their great journey through life simply by flipping through the next few pages . . .

Stephen DaMato, Jerzie Kissel,
Serpil Gasko, Joseph Adriano,
John Balonze.

Where Has The Time Gone?

Where Have The Years Gone?

Do These Faces Look Familiar?

Every year P.V. students are given a picture ID. When looking at the ID's taken freshman year, it is amazing to see how much some people have changed. It seems odd that students' appearances have changed so drastically over what seemed to be such a short four years. Although faces and attitudes have changed, addresses have remained the same.

What Do

Seniors Do?

Who's In Charge?

To the Class of 1997,

On September 8, 1993, we entered Passaic Valley for the first time. Both new to the school, we were a little nervous and uncertain as to what would lie ahead and develop over the next four years, a time that seemed then so far out of reach. Time has rapidly moved on and so shall you to the next stage of uncertainty and development of your lives. You are my first class and I will always keep a special place for you in my heart. Here are a few of the memories that we have shared:

the failed Freshman Winter Dance
towels, towels, and more towels

"I won't think about that now, I'll think about it tomorrow!"
sorting Christmas merchandise until late at night
the carwashes or should I say the people washes

"Ali, which officer are you?"

road trips for the prom

"Where's Carolyn?"

Honors Algebra II last year

- the breakfast, "I haven't bought a --- yet for the Cotillion!"; field trip to LSC, the wind tunnel at LSC, M. Saba the disciplinarian, S.B. and her obscene sniffing noises.

Reddin and Sils - the next Siskel and Ebert

S.B. how about that foot massage?

"Peanut" and "Lucky", you guys are awesome!

If I had to give you some advice, it would be: "The great challenge of adulthood is holding onto your idealism after you lose your innocence and believing in the power of the human spirit after you come crashing into the limits of the real adult world." Believe and be true to yourself. Strive for your dreams so you won't look back to ask yourself "Is my dream a lie if it doesn't come true, or is it something worse?"

Best of everything, you deserve it!!

Your friend,

Sal Sileo, "Sils", "Sil-Dog"

Work hard at making your dreams come true and never give them up. Look upon all of life's little setbacks as a chance to get a running start on the rest of your life. I will keep all of you in my thoughts and prayers, because you have been a special part of my life at PV. Take my thoughts, prayers and wishes for a bright future and run with them to wherever you want to go.

Best of Luck,

Mrs. Sullivan

Where Would I

Be Without You?

When Do They Find The Time?

Consider the life of a student at PV. For most it involves a challenging academic schedule, a demanding job, and a busy social life. Yet most students find the time to manage their hectic lives and still have fun. The pages that follow will prove this, from the freshman class that has three more years of this madness to look forward to, to the senior who has been chosen to depict a "day in the life" of a PV student. But even their busy lives seem tranquil compared to those of the Top 10 Most Involved, who wake up earlier and go to sleep later than any other students in the school. Happily, however, the frantic students of PV still had time to provide the rest of us with an always witty and informative class survey, as well as many amusing and memorable images of PV student life. — Sharon Post

What Are They Doing Here So Early???

It's 6:00AM and you're at school. Why? The majority of students in New Jersey are sleeping, snuggled in bed. However there are a few early birds who are not. Maybe they have class or maybe they just really like school. Who Knows?

Who Does

The top ten most involved students are people that have a great devotion to Passaic Valley's after school activities. From the drama club, to track, volleyball, and even mathematical talent, these ten students are the most preoccupied of the high school. Past Passaic Valley graduates have set goals and standards that were certainly surpassed by the class of 1997. Future classes at Passaic Valley must set high standards if they will continue Passaic Valley's tradition of excellence.

These are students who not only constitute the top ten GPAs of the senior class, they are also students who have been recognized for their intelligence and leadership outside of the classroom. For four years, these students have maintained an outstanding level of performance in their studies, and among these ten students exist Edward J. Bloustein Distinguished Scholars, Boys' State Delegates, National Honor Society Members, Governor's School Representatives, and National Merit Semifinalists. On July 27, 1996, members of the Passaic Valley Drama Club took a trip to Europe. They traveled for 2 weeks and covered four countries; England, France, Switzerland, and Italy. They saw many historical sites, including big Ben, the Louvre, the Eiffel Tower and the Vatican. In Switzerland the group attended a dinner where they ate fondue, danced, and some of them even got the chance to yodel. Everyone who went had a lot of fun and felt that the trip was definitely a success.

Why The Hornet?

Many students at PV have associated high school sports with the name, "the Hornets" for so long that they have taken this bizarre title for granted. But when you really think about it, it is weird to have a team named after an insect. And that logo! An angry hornet with boxing gloves!? Who thought of that?

Actually, it was Fred Voos, who in the 1940's, first created the image of the PV Hornet we know today. And, all kidding aside, he did an impressive job, giving our hornet the spirit and panache that provided the school with one of the most unique mascots in the area.

But what do the members of the PV community think of the Hornet? We asked some students about their opinions of our winged friend:

One new student said, "I think it's cool. I've never been to a school with a hornet; everyone has a panther or something." Another pontificated, "The boxing gloves make it look more fierce," and a thoughtful sophomore added, "It really catches your attention. It's very original."

There you have it, right from the hornet's mouth (corny). As you can see PV loves its Hornet, and it shows on the fields and courts it's teams play. The athletes at PV have all the energy of tenacity as the fiesty little bug that adorns their uniforms. Like their caricatured counterpart, PV's teams understand the importance of team work and show a fierce determination to achieve their goal. When it comes to sports, PV is not tolerant of mediocrity. The Hornet never let's us down!

What's Our Goal?

This 96-97 season marked the last time the first of the Lady Hornets would walk off the field. Although it was not a "winning" season, these seniors left the field with their heads held high knowing they had paved a path for future players.

Despite the team's 4 and 12 record, the Hornets showed strength and dedication throughout the season. With only five seniors, the majority of the team was underclassmen. The Hornets struggled against the best teams in the league showing heart and determination. New coach, Rory Fitzgerald helped the players overcome the obstacles that arose all through the season.

The Lady Hornets were led by Senior Captains Danielle Strothers, Deanna Strothers, and Alisa Zvalarian and Seniors Maria Agresti and Daniela Trama. Before these athletes had arrived at Passaic Valley, no girls soccer program had existed. Now, four years later as they are leaving, the legacy of girls soccer will stay in these halls forever.

Can You Kick It?

The first ever Passaic Valley soccer team was started in 1965. The team began a completely new era of athletic competition for Passaic Valley Sports. The first soccer team lost all of its games, but did tie two! Despite losing every game, the team showed great determination to play, and a passion for the game.

Since the first team was established in 1965, there have been many successful soccer teams. The first successful soccer team was the 1972 team. Ranked twelfth in the state, they were 13-4 and finished second in the NNJC conference. The 1980's marked a decade of great achievement. In 1982, P.V.'s soccer team advanced to the state sectional finals with a 16-3-5 record. The 1986 team was the first Passaic Valley soccer team to win the Passaic county championship.

The end of the 80's and the beginning of the 90's marked another great era of Passaic Valley Soccer. From 1989-1992, Passaic Valley's soccer teams won four consecutive league titles and two county titles in 1991 & 1992. The 1992 soccer team was the greatest Passaic Valley team ever. They had the best winning percentage in P.V. soccer history. The late all-stater Rich Ferraro surpassed the 100 goal milestone as a varsity player. He set the school records for most goals in a season and in a career.

During this, our 1996-97 season, the team looked strong. The team was young, but they had tremendous talent and heart which is a trait that can't be matched. This year's team was looking to capture the winning spirit of Passaic Valley Soccer. The team started out its season with an 0-5-1 record, but then turned their season around and went 7-3-3 in their last thirteen games. The team finished the season 7-8-4 and showed the rest of the league and county that they are going to be contending for the league and county titles for the next few years.

The team was lead by senior captains Phil Brychta and Mike King. Other seniors that contributed to this year's team were Mike Tuohy, Dave Decembre, Mark Bressette, Shaun Coronato, and Steve Pasqueriello. Talented juniors on the team were Frank LePore, Don Platvoet, and Jack Donnarumma. The young, but very talented sophomores playing important roles for the 1996-97 team were Sergio Minervini, Joshua Prell, Carlos Ortiz, Jack Trippi, John Galiano, and Guisseppi Vella.

How Do They Do That?

This is the question that gymnasts are asked most frequently, but it is not so easily answered.

Imagine yourself walking on a railing that is four inches wide and four feet off of the ground . . . It is difficult to picture, right? Well, gymnasts must encounter this every day at practice.

Starting at an early age, children must condition their bodies in order to build muscle and endurance. Only then will the body be in shape to perform more difficult skills and routines on each of the four events.

In other words, gymnasts do this by many long years of hard work, dedication, and having "No Fear".

In 1956, Passaic Valley started the cross country team. At its initiation, it was an all male team. As the years went by, the team grew and so did its records. In 1961, the team won the state sectional meet, making PV history. In 1966, Vic Mizzone, the team's current coach, led the team to an undefeated season and set a record for the course at Garret Mountain. 1974 saw the first female cross country members, and not until 1980 did the girls have the full team of five people.

This year's girls' team was also added to PV's history. They were the first ever to be undefeated in the conference, including their defeat over Wayne Valley who had not lost for a consecutive 195 meets. They finished their regular season with a record of 15-0. The boys team, who held a record of 48-0 for three years, also finished well with a record of 15-2. The boys placed third in the Passaic County meet, and the girls qualified for the state group meet at Holmdel. Headed by Vic Mizzone and Asst. Coach Dave Nowen, the team had many outstanding performances leaving behind a winning tradition for others to follow.

What if hard work, dedication and team spirit could determine the outcome of a game? If that were the case, the P.V. Field Hockey team would never lose a game. The Lady Hornet spirit and their love for the sport pulled them through every game whether they won or lost. The players never gave up hope and this helped them to play their best.

The 1996 Varsity Field Hockey team consisted of many new faces with only a few varsity players back from last year. Everyone helped each other learn skills, and as a team, they trained hard. The new head coach, Michele Speidel, started practicing with the players during the summer. With help from their coach, each and every girl worked toward improvement. Even though they didn't win every game, the P.V. Field Hockey team had a successful and memorable season.

The game doesn't always go to the bigger and faster WOMAN, but the game sometimes goes to the WOMAN who thinks SHE can!

Can You Dig It?

Can You Dig It? Continuing Passaic Valley's volleyball tradition of excellence, the Hornets completed another successful season. The Hornets relied on a tense pre-season to prepare themselves for the competitive '96 season. Head coach, Bill Humes, provided the team with both the confidence and conditioning they needed to become one of the most feared teams in the league. These athletes upheld the word "team" in every aspect of the game. They always played together and developed

a comradeship that helped them to learn more than the skills of the game. They learned some of the most valuable lessons life offers- to never back down, to stand strong together, and to give 100% all the time. The Lady Hornets played every point as a game within itself.

The nucleus of the team was made up of five seniors. One junior and two sophomores gave the team the energy they needed to work together and get the job done. Senior/captain, Dana Travato, contributed to the team with her savvy net play. She came up with key blocks and put many games away with her dominating spikes. Senior/captain, Lauren Veteri, came up big with dominating back row play and her untouchable spikes. Senior/captain, Jamie Nardino, was the team's heartbeat. Her hustle on the floor to set every ball gave the Hornets an edge over the competitor. Jamie also gave the Hornets momentum with her line-drive serves. Senior, Erika Martinez, was the team's motivation. Erika gave the Hornets life with her inspirational words and impressive back row play. Senior, Jerzie-Ann Kissel, added to the Hornets offensive attack with powerful serves and savvy back row play. Junior, Michelle Vacari, the Hornets secondary setter kept the rhythm of the game and added points with her back position spikes. Although inexperienced, the team's two sophomores, Carie Vanway and Wendy Cook, never let it show. Carie provided the team with point winning blocks and timely spikes. Wendy sparked the team with consistent serves and added to her offensive attack with her powerful spikes.

The Passaic Valley girls' volleyball team gained one thing far more important than a title or a trophy, they gained self-respect. Each and every member of the team grew as an individual during the '96 season because each and every member laid their heart on the line and was never afraid to lose.

The graduating seniors will certainly be missed by both the coach and remaining teammates. Coach Bill Humes said, "When we start the season next year we are probably going to have a tear in our eye because these girls won't be with us."

At the beginning of the season other coaches came up to Mr. Humes and said, "You lost everything you had last year. You're never going to reach the 500 mark and you won't even qualify for states." The '96 Lady Hornets certainly proved them wrong.

Who Rocks The House?

1996-97 Varsity Cheering squad had an exciting and fun-filled season. It started at U.C.A. Camp at Rutgers University where the team won a Superior Squad trophy and several spirit awards. The team also had one of its members chosen as an "All Star" to cheer in London. Not only did they take home awards and trophies, but they brought back memories that will last forever.

At the opening of their fall cheering season, the hard work and dedication began. They practiced each day to encourage the fans and cheer their team to victory. They also competed in the West Milford Cheering Competition where their hard work paid off.

Who Moves To The Beat?

The Passaic Valley Marching Band grabbed the attention of many old and new fans in their 1996 fall season with their dramatic performance of "Pictures for a Competition." Under the second year direction of Mr. James Millar, the band and color guard was revitalized with the largest membership in years.

The 1996 program featured the music of Mussorgsky: "Night on Bald Mountain/Promenade," "The Old Castle," "Dixie Promenade," "The Hut of Baba Yaga," and "The Great Gate of Kiev." After long, intense hours of practice, the band entertained the crowds at football games as well as performed in many exciting competitions, including Championships at Giant Stadium. Furthermore, the marching band brought back their old tradition and hosted their first home competition in many years. In the spring, the band will participate in a Music Festival on board a Bahamas Cruise.

Under the leadership of head coach Chet Parlavecchio, the 1996-97 Hornets have reloaded with the firepower necessary to make their dreams come true. Training camp is a key part in order for the team to stay on task.

This year at Boston College, the team worked hard and learned valuable information to help them improve their game. Every day it was early rise at 8 A.M. to go onto the field and stretch. Then they spent the whole day practicing in the scorching heat. All of this hard work and commitment would pay great dividends for the Hornets.

In August, the Hornets took the field again for their annual camp at Passaic Valley. The coaches constantly evaluated the personnel they felt could win a championship. Practice continued for the first three months of school and the team became a group of well disciplined men. The team had great intensity for every game as they crushed opponents on their way to one of the best seasons in PV history. The Hornets won their league championship and finished with a 10-1 record with their only loss coming in the State Championship Finals to the top ranked team in the state, Hoboken.

Where were the Lady Hornets off to this year? Well, the answer was simple. For this team there was nowhere to go but forward. Who's in charge of this aspiring team? The players were led by second year Head Coach Gus Jaworski and Assistant Coach Carol-Ann Din. With the team working together in the off-season, they were nothing but ready come December. Their hard work and dedication paid off, earning the girls a state tournament berth. The tremendous effort they put forth is the key to what makes them the athletes that they are. The Lady Hornets have a reputation for their tenacious defense. With the team spirited by their captains, there was no turning back. Even though these two seniors will be missed, they leave the team with promising youth and a bright future.

What's The Score?

As the 1996-1997 basketball season rolls around, the Hornets are looking to have a good season. They return four starters from last season which makes them one of the most experienced teams in the league and county. The Hornets will look to run the ball and press more often this year because of their experience and quickness. They are not a big team, but they do have a lot of quickness and shoot the basketball very well which will make them one of the better teams in the league and county. With these two great characteristics and a ton of talented players, the Hornets will be a fun and exciting team to watch.

Passaic Valley will be led by senior co-captains Sal Colombo, Jack Kowalik, and Ray Reddin. Sal Colombo is a strong post player who shoots well and plays good defense. Jack Kowalik is the team's best shooter and will look to lead the team in scoring. Reddin is point guard who passes and handles the ball very well. Rounding out the rest of the starting lineup will be senior Mike King and Junior Steve Filan. Mike King is a three year starter and shoots the ball well. Steve Filan is a talented guard who passes and shoots well. Coming off the bench for the Hornets are junior Don Platvoet, seniors Joe Tomosello and Dom Chipolone, and sophomore Lenny Cusamano. Don Platvoet is a good post player with great leaping ability. Senior Joe Tomosello will play at the center position and will provide the team with good defense and strong post moves on offense. With this great lineup, the Hornets will look to do some damage in the league and county. With all of this talent, there is no telling how far this team could go.

Who's On Top?

The 1996-1997 wrestling team had a rebuilding year with new coach Mike DeStefano. DeStefano had many aspirations for the season. The team was lead by captains Mike Benvenuti and Mike Juliano. The other seniors on the team were Eric Martin and Chris Carfagno. There is a prosperous outlook for the upcoming upper classmen. DeStefano's first year of coaching helped the team to achieve their hopes of doing their best.

The teams' record was 5-11. Even though their record may not be good the players as a whole did very well. Captain Mike Benvenuti's record was 24-4. His achievements of the year were 2nd Bloomfield, 1st District and 2nd Region. He also got 1st team All County and All League. Also, captain Mike Juliano's record was 20-5. He received 2nd Bloomfield, 2nd County, 2nd District, and 2nd team All County and All League. Sophomore Dan Dugan also received 3rd County, 3rd District, and Honorable Mention All County. The wrestling team did well, and we wish them success next year.

Who's Still Running?

Senior Manny Martinez and sophomore Andres Cornero coming in from the cold.

Indoor track, a sport for the bold. Ten hour meets and running in the cold. This year produced a successful season for both the boys' and girls' teams. Early in the season the team was larger than usual, looking promising. Through Christmas vacation head coach Callahan saw fit to lessen the team's membership, causing some dissension among the ranks. Still, those remaining trained hard through the cold weather, and for them, it paid off. Andres Cordero ran to first team in the 3200 meter at the counties, while Jeremy Bukowyczk earned Honorable Mention in the 1000 meter. Aisha Alexander placed First Team All Around, Erica Benedict placed Second Team for the 55 meter hurdles and Laura McGevna earned Honorable Mention for the 3200. Overall, the team placed 5th. The eight team members also fared well at the league meet. The girls became conference champions, and the boys placed 7th. Erica Benedict went on to qualify for the Meet of Champions where she broke the school record (which she already held) for the 55 meter hurdles. Comprised of mostly seniors, the track team will need to recruit new members to carry on the successes of this year's team.

When running a race in track, it is difficult to run it at top speed. The point at which a runner starts to slow down is called "The Wall".

Safe?

The 1997 softball season will be a year to remember. The moto for this season is "success only comes before work in the dictionary," and this softball team believes that 100%. With five returning seniors and a squad filled with talent, these lady Hornets are looking for their first county win in over nine years. There not only looking to sweep the county, but also to take the states as they did back in 1994. With pitchers Charissa Roan and Lisa Caruso the 1997 season is sure to be a success.

The 1997 Passaic Valley Baseball Team has a new coach and is looking to turn around its season from last year. The Hornets were 8-14 last year, but with first year coach Marc Taglieri, the Hornets have a new attitude and are looking to get back into the winning spirit. They will look to surprise a lot of teams in the league and county and make the state playoffs. With a new coach and new attitude, the Hornets look to be an exciting team with a bright future.

The team consists of seniors Mike King, Bryan Corrado, Nino Calabro, Max Reynoso, and Mark Battagliese. Juniors contributing to this years team are Chris Quinn, Steve Gaita, Jeff Giannino, Scott Mataya, Sanders Reynoso, Casey Kabana, Phil Simone, Danny Casanovas, Steve Miedema, and Eric Madsen. The lone sophomore contributing to the Hornet team is Sam Yodice. These are the players who will try to bring back Passaic Valley's winning tradition in baseball. With this vast amount of talent, there is no doubt that the Hornets can reach their expectations of winning.

Who Are The

In Passaic Valley, it would be an understatement to say that sports is life. Many of our athletes train year round to become all county and state athletes. This year the 1996 Football Team went an impressive 10-1 with a state finals berth. With ten senior All County and League players, you can bet that they will be sorely missed on the field in '97.

Football wasn't the only winning team though. Our Gymnastics team went undefeated in '96 with a record of 10-0. The girls practiced diligently and their work paid off when they won Conference, Counties, and Sectionals. Senior captains Renee Phifer and Carri Garabrant had exceptional seasons, receiving county and conference recognition.

Not many schools can say that they had three winning teams in a season, but we can. In the fall our Boys' Cross Country team finished second in the county and also second in the league. With senior captains Keith Lovas, Jeremy Bukowczyk, and Brian Corado the Hornets swept away all competition. Not only were the boys exceptional, but the girls were as well. Seniors Laura McGevna and Jennifer Minchin ran their way in to a first place finish in the league tournament.

The winter season also brought greatness for the Hornets with the Girls Basketball team. With returning seniors Dana Trovato and Deanna Strothers these Lady Hornets had an impressive record and went to the State Tournament.

Now, when most people think of Passaic Valley sports, no one thinks of bowling, but they should. With senior Captain Carri Garrabrant returning the Hornets had an outstanding record and also went to the State finals for the first time in twelve years.

Finally, last year, as the weather warmed up, the Lady Hornets Softball team could be seen in the distance shoveling off their field. In 1996, with returning seniors Christine Vicari, Jody Beesley, Gina Sama and Jo-ann Spineli these Hornets went an outstanding 17-6.

Hornet Stars?

Who's Next In Line?

The Junior Varsity teams at Passaic Valley are the building blocks to future success. Although JV players are not Varsity level, they still compete with the same intensity and determination. They are the dreamers and the doers, the future of Passaic Valley. JV Players may go unnoticed for all of their countless efforts, but in the end they prove their ability to work together in order to achieve victory.

What Do They Do?

Like Sisyphus with his rock, many students at PV continue to participate in extracurricular activities for no discernible reason. They're going to graduate one way or the other, so why do they do it? The truth is that we all have the drive to do something, no matter what it is. We have this drive if we have the need to say something. The act of doing expresses each of our "somethings to say." Students in the Key Club say, "I want to help," while student involved in the Arts say, "I want to create." Of course, it is much more complex than that. Those athletes in Girls' Show, for example, don't simply say, "I want to win." They also say, "I want to form friendships and memories; I want to test my abilities and better myself," and they express these ideas in their performance. Everyone at PV gives voice to their "something to say" by what they choose to do or not to do. In this way, perhaps, these activities make everyone an artist. Everyone tries to say what how they feel and think through their actions. Their individual efforts of self-expression combine to create the rich tapestry that is Passaic Valley High School.

Performing on the Passaic Valley stage is one of the most rewarding and satisfying experiences. It takes a lot of hard work and dedication to prepare a production for an audience, but it is all made worthwhile when the applause of the audience echos throughout the auditorium!

No matter how confident the actors and actresses may feel, opening night is still extremely nerve-racking. Suddenly, the thespians begin to worry about old taboos and superstitions such as "Don't quote Macbeth backstage," or don't say "GOOD LUCK," say "BREAK A LEG". Lines disappear from the memory banks, and the stomach becomes queasy, but the show must go on, and the cast must put aside their fears of nervousness and anxiety.

Once the play is over, there are mixed feelings of happiness and sadness. This year's fall play, *Steel Magnolias*, was a great success, and that brought a huge smile to the faces of everyone involved.

Do You Hear What I Hear?

The holidays are a time to celebrate with family and friends. This year's holiday concert did just that. With the incorporation of the drama club, this year's holiday concert told the stories of Hanukkah, Kwanzaa, and Christmas.

The 1996 Holiday celebration was indeed a celebration. This was the first year the Drama Club performed in the concert, and it was huge success. The children from the neighboring towns came to watch the performance and were well entertained. The Hanukkah skit and Kwanzaa dance were their favorites along with the portrayal of the Night Before Christmas.

All in all, this year's holiday concert was, in a word, a "celebration". It told the complete stories of the traditions and customs of the Holidays around the world.

"MERRY CHRISTMAS TO ALL AND TO ALL A GOOD NIGHT!"

What Is The Greatest Honor At PV?

The greatest honor one can obtain at Passaic Valley High School is being inducted as a member of the National Honor Society. Membership into this elite organization is based on scholarship, leadership, service, and character. Under the second year direction of Mrs. Otterbein, these prestigious young individuals tutor student throughout the school year and volunteer in numerous community activities. The National Honor Society is a continuing tradition and distinction at Passaic Valley.

Who's On The Staff?

The Yearbook, otherwise entitled Valley Green, is composed of two classes that work to distribute the momentous book at the end of each year. The students who are selected on this tedious project are selected by the Yearbook advisor, Ms. McNeal. She, in turn, chooses students with writing, artistic, and creative ability who can work well with others.

The work on the Yearbook begins in the summer. This is when the editors get together and brainstorm ideas for the upcoming year. The editors for the 1996-1997 school year were Rob Bird, Sara Bitar, Melinda Shabka, Mel Rosolen, and Jen Shields. In September, the real work begins. Both classes decide on a theme, cover designs, pictures, and page layouts.

The Yearbook staff has done an amazing job this year. Each person enrolled in the class has worked very hard to make this year's book a success. The memories captured within the yearbook will indefinitely last a lifetime.

What's The Scoop?

Who?- This group of juniors and seniors wanting to take part in the production of the Valley Echo, elected to take this class and entered in September, without any idea on how to run a newspaper.

What?- A triannual newspaper completely produced by P.V. students with the help of the advisor, Mrs. Pedalino.

Where?- In the halls of P.V., behind closed office doors, on the track fields and basketball courts, and anywhere else there's a scoop.

When?- Eight period, Monday through Friday these students can be found tracking the latest news concerning the student body.

Why?- The Valley Echo's main purpose is to inform students about issues involving their lives and their school.

Who's Involved?

S.A.D.D. Club

Students Against Drunk Driving, otherwise known as S.A.D.D., is one of Passaic Valley's more recently organized clubs. Under the second year direction of Mrs. Garofalo, this organization's main purpose is to make others aware of the dangers and consequences of driving while intoxicated. They strive during the school year to be constant reminders of their cause, especially during the highly precarious seasons such as the Senior Prom and the Junior Cotillon. They feel that if young adults are warned beforehand, tragedies relating to drunk driving could possibly be avoided. For example, one way this small group sends their message is by giving key chains to Passaic Valley students the month they receive their driver's licenses along with S.A.D.D.'s motto — *"Friends Don't Let Friends Drive Drunk."* S.A.D.D. is yet one more of Passaic Valley's distinguished clubs that brings across a very important and powerful message to the school's community — *"Take the Lead, Don't Drive Drunk!"*

The A/V Club is responsible for the sound and the lighting of all the productions inside of Passaic Valley's Auditorium. The A/V club works with the Television Production club in the filming of all the sporting events and everything else that appears on P.V.T.V. This year the A/V club is very successful with five new freshman to stand in for the departed seniors. The Audio/Visual and the Television Production Clubs will hopefully live up to past excellence and excel in the future.

Peer Helpers

The peer helpers are advised by Mr. Terzoule and are lead by the tri-leaders Laura McGevna, Reena Kamdar, and Nicole Sauter. The sub leaders are Teresa Nicosia - announcements, Michelle Scano - attendance, and Heather Lang - bulletin boards. This year the Peer Helpers have raised money to visit St. Joseph's children's hospital during the Christmas holiday to bring gifts to the children. It was a huge success; everyone had fun. We invited our favorite guest speaker back this year, Mr. Ed Agresta. He gave us motivation when we needed it most. He helped us to "extend ourselves to people in need."

SPANISH CLUB

The Spanish Club of P.V.H.S., the largest club in the school, is involved in worthwhile learning and service activities each year. The club's officer and advisor plan a balanced program that excites its membership and makes the school and community aware of the Spanish program, and World Language study in general.

In September, club members sold Christmas cards and wrapping paper to defray the cost of a field trip to see a production of *Don Quijote do la Mancha* and to enjoy lunch at a Spanish restaurant. During the month of December, members collected non-perishable food products for a needy family in the community. The collection was so successful that two families enjoyed a complete Christmas dinner, toys for children, and non-perishable food. A spring field trip is in the planning with possible destinations being a New York museum or a theatrical production at Repertouo Espanol.

These excursions give the members of the Spanish Club enjoyment and appreciation of Hispanic history and culture.
